Reports

EVANGELISM REPORT—1976

All churches have already received the booklet: GROWTH EVANGELISM: AN EVANGELISM PLANNING CALENDAR FOR PASTORS OF CHURCHES—1976-77. It contains suggestions for various evangelism emphasis for the local church for the coming new year including C. A. R. E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-77.

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th Statewide Evangelism Conference at the Civic Center Auditorium, Asheville—February 2-4, 1976. The theme was "Freedom in Christ." The response from many persons indicated that this conference was one of the best in several years.

Lay persons and pastors continue to respond to the emphasis of lay witness training through Lay Evangelism Schools. During the past 4½ years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations. During the last evenings of the 62 weeks of schools there have been 896 professions of faith made by youth and adults in their homes.

About 525 youth and adults attended the Youth Ministry Week—June 14-18, at the North Carolina Baptist Assembly with the emphasis on youth evangelism, vocational guidance, and recreation. Fifty-three different types of decisions for Christ were made by youth.

12,000 youth, pastors, and adult leaders are expected to attend the 6th Statewide Youth Evangelism Night, August 13, at the Greensboro Coliseum. Barry Wood of Lubbock, Texas is the guest preacher, and Larry McFadden of Gainesville, Florida is the guest soloist. Follow-up work by pastors and adults is always done with youth who make decisions from communities across our state.

Two summer youth evangelism teams are directing youth revivals and youth witness training in eighteen churches across the state for a one week period in each church. Already there has been an excellent response and youth are making decisions for Christ.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends.

A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family, Touch Ministry, Discipleship Groups, and Joy Explosion. W. O. W.—Win Our World—is included in this strategy and involves specific witness training for youth.

Good reports have been received on evangelism clinics in associations, revival meetings and city-wide crusades during the past months.

The 31st Statewide Evangelism Conference will be February 7-9, 1977 at the War Memorial Auditorium in Greensboro.

Respectfully submitted,

WOMAN'S MISSIONARY UNION ANNUAL REPORT

Our theme for Woman's Missionary Union this year has been "Let Christ's Freedom Ring" with great emphasis on freedom for those still in bondage. Our watchword from 2 Cor. 3:17: "Where the Spirit of the Lord is, there is liberty." Our liberty as well as that of Paul was bought with the life of God's Son, Jesus Christ. It is He whose light shines in our hearts and gives us knowledge of who God is. The prayer written in 1832 by Samuel F. Smith, hymn writer, could be ours today;

> "Long may our land be bright
> With freedom's holy light;
> Protect us by Thy might
> Great God, our King!"

Special emphasis this year has been TIME—Training in Mission Education for our leaders and members and A Tempo, recognizing our Baptist Young Women. Strong BYW Organizations can spearhead results throughout the total missions program. They will be our leaders tomorrow.

Our Spring meeting was held at Lillington Baptist Church on April 6 with some 130 members present. Special music, "His Plan" was beautifully rendered by Mrs. Hooper Bethune and Mrs. Clyde Hightower. The devotional period was led by Mrs C. F. Clark, missionary to Japan and our new Director of Missions' wife, Mrs. Henry Simpson, Jr. The highlight of our meeting was the meaningful message of Dr. C. F. Clark, medical missionary to Japan. He also showed slides of the work he and Mrs. Clark are doing.

This year our WMU sponsored a dinner honoring our pastors and our retiring Director of Missions and his wife, Rev. and Mrs. Julius Holloway. This was a delightful affair with so many remembering Rev. Holloway throughout his years and many of the churches he helped to organize paid him many compliments. He deserved all our praises but whatever he did was for "the glory of God."

Six Associational Directors attended the State WMU Workshop at Mundo

Vista, September 3-4, in preparation for our Leadership Conferences. May we continue to grow in service and never forget that we are "Laborers Together With God."

MINISTER'S RETIREMENT PROGRAM REPORT

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church-related vocations.

The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

These contributions, taken together, are considered as funds held in trust by the Annuity Board. They now amount to $401,135,261. While this appears to be a great deal of money, this must be divided among the 40,000 future annuitants and serve their lifetime, post-retirement needs.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recovery, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of $23,149,064.

Benefits paid to retirees, widows, and the disabled in 1975 amounted to $15,734,003. During the Annuity Board's 58 years of existence, it has paid more than $141 million in retirement and protection benefits.

A 13th Check issued in December 1975 provided 8,221 annuitants with an extra month's income to help them combat the rapidly rising cost of living. The combined amount of this extra benefit came to $733,585. It is called the 13th Check because it is over and above the 12 regular monthly payments.

The Annuity Board helps churches and SBC agencies get the best coverage at the most advantageous rates in life, health, and disability insurance.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

1976 BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment—how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continues to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision to send the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louie D. Newton of Georgia who has done more than any other person to interpret the value of Baptist state papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life."

If this "packhorse," meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

Mr. James Flowers

REPORT OF THE DEPARTMENT OF CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

James Y. Greene
Department of Campus Ministry

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The emphasis of the Christian Life Council in 1976 has been two-fold: citizenship and family relationships.

In January a bicentennial packet was mailed to every North Carolina Baptist pastor. In addition, a number of sermons and conferences have dealt with Christian Citizenship. Six tracts on citizenship were written and printed and are available for local church use.

A major concern for the Christian home has prompted the Council to distribute over 150,000 pieces of literature relative to the family. Over a hundred sermons on the home were preached and a number of conferences were conducted.

A Workshop for Youth Ministers was co-sponsored with the Youth Ministries Section.

A Single Adult Conference is scheduled for October 29-31 in Charlotte.

One of the most exciting developments is the creation of the Department of Christian Family Life. W. Douglas Cole will head this Department which will be a part of the Christian Life Council.

The Council continues to serve as a research, resource, and referral agency for North Carolina Baptists regarding applied Christianity. Dozens of requests are received and answered from Baptist pertaining to everyday life situations.

The Christian Life Council's reason for existence centers on the concept of helping those who call Him "Lord, Lord" to know and do His commandments.

AMERICAN BIBLE SOCIETY REPORT

Today the goal of the American Bible Society is the same—the translation, publication and distribution of the Scriptures in the language of the people without doctrinal note or comment and without profit. As a vital resource agency to the churches, the American Bible Society works with the United Bible Societies around the world to provide the Scriptures to more people than ever. At least one book of the Bible has now been translated into 1577 languages and the number of Bibles, New Testaments, Portions and Selections distributed through the world annually runs into the hundreds of millions of copies.

A milestone in the development of the common language translation will be reached late in 1976 when "The Good News Bible," the entire Bible in Today's English Version is published. To be released during the 160th anniversary of the Society, this translation will be the Society's Bicentennial gift to the people of the United States. It makes available for the first time the entire text in easily understood language.

During 1975 the American Bible Society supported 562 translation projects around the world. Highlights of these projects were the publication of the New Testament in Today's Chinese and the completion of the New Testament in Today's Arabic.

Scripture distribution in the United States during 1975 reached a total of 109,469,781 copies. This represents an increase of 11,181,000 over 1974.

Nearly ten years ago the new translation of the New Testament called "The Good News for Modern Man" was published to be used especially in evangelistic outreach. On the eve of the tenth anniversary, distribution of the New Testament in Today's English Version has passed the fifty million mark, an achievement unmatched in U. S. paperback publishing history. Of the 8.5 million Scripture Imprints produced by the American Bible Society in 1975, 2,259,000 copies were imprinted for Southern Baptist churches and agencies.

A highlight of last year's activities was the presentation of a specially embossed ship's pulpit Bible to the commanding officer of the nuclear aircraft carrier USS Nimitz. The American Bible Society has placed more than 20 million copies of Scripture in the hands of men and women serving in America's Armed Forces since 1817.

World Scripture distribution by the United Bible Societies totaled 156,445,597 copies of the Scripture in 1975.

The Society is assisting the missionary activities of the Southern Baptist Convention abroad, in Brazil, in Hong Kong, in Kenya and in Eastern Europe. During the last decade almost 4.5 million copies of Scripture have been distributed throughout the Eastern European countries.

As a result of the turmoil in Southeast Asia, 130,000 refugees fled to the United States creating a new audience for Christian witness. In quick response to the requests of church groups working in the refugee centers, the American Bible Society printed 50,000 copies each of the two Scripture Selections in Vietnamese on the theme of hope.

In spite of inflation, contributions from the churches in 1975 increased 9.4 per cent over last year to a total of $1,453,920. For this the American Bible Society is especially grateful. Southern Baptists contributed nearly 16.5 of this total or $238,554.

We ask your continued prayers, that the Bible Society, in partnership with the Southern Baptist Convention and with all willing Christians may fulfill more effectively its task of bringing the Word of God to all those who ask for it and need it.

Respectfully submitted,
Mrs. M. M. Jernigan

WORLD MISSIONS REPORT

"And He said unto them, Go ye into all the world, and preach the gospel to every creature." Mark 16:15.

The Southern Baptist Convention was founded ". . . for the promotion of Christian missions at home and abroad and any other objects such as Christian education, benevolent enterprises, and social services . . ." (SBC Constitution, Art. II).

The Baptist State Convention was founded ". . . to promote missions, evangelism, education, social services . . ." (BSC Constitution, Art. II).

THE WORK OF THE LITTLE RIVER BAPTIST ASSOCIATION is a vital part of creating a strong home base for sharing the Good News of the Gospel right here at home and out across this nation and unto the uttermost part of the world. The association is more important than ever before because it draws us together in fellowship and it commits us to missions where we are. Through our cooperative spirit and voluntary efforts our churches can do things together what no one church could do alone in carrying out the Great Commission of our Lord.

As our church members participate actively in mission study and mission action through WMU and Brotherhood, they have the opportunity to become better informed about the needs of the mission fields, to pray and give financial support to our mission program around the world.

Opportunity is given to the churches of our association to become actively involved in missions at home through: Mission Bible Schools, Backyard Bible Classes, services in rest (nursing) homes, assisting smaller churches and through our mission action fund to aid benevolent causes such as worthy international and local students, ministerial students who need financial assistance at Campbell College, etc.

WORLD MISSIONS INCLUDES STATE MISSIONS. North Carolina is a mission field. It is just as much a mission field as North Dakota or North Vietnam. Mission needs exist in Dunn just as they do in Jerusalem.

State Missions takes place in resort areas, Indian reservations, shopping centers, correctional institutions, inner-city projects, child care centers, college campuses, migrant work camps, military centers, or anywhere people meet and have needs.

State Missions is supported by the Cooperative Program and the annual State Missions Offering in September.

WORLD MISSIONS INCLUDES HOME MISSIONS. In keeping with the denomination's 1977-79 theme "Sharing Christ in Bold Mission In the Secular Society," the Home Mission Board gave major attention last year to planning a "Bold Mission Thrust" in the homeland. Most of the state conventions are planning for major advances in reaching counties without an effective evangelistic witness, correlation of mission resources in key cities among groups such as ethnics, apartment dwellers, and various subculture groups in our nation, and in transitional communities with churches in crisis. There are more than 600 counties in the United States that do not have a Southern Baptist congregation or do not have an adequate evangelical witness from any source. Direct objectives of the "Bold Mission Thrust" are to "Let every person in our land have an opportunity to hear and accept the gospel of Jesus Christ," and to "Let every person in our land have an opportunity to share in the witness and ministry of a New Testament fellowship of believers."

Both the Annie Armstrong Easter Offering and Cooperative Program support were up from 1974. The 1975 AAEO receipts totaled $8,491,653, a record offering. The 1976 goal is $9.5 million.

WORLD MISSIONS INCLUDES FOREIGN MISSIONS. God has wonderfully blessed throughout 1975. Baptisms have risen to an all-time high. Doors for evangelism have been entered in many lands with great response and blessing. More than 100 times each day the gospel has gone forth by radio. Ministries to hunger and tragic disaster have brought help in Hondruas, Bangladesh and many other lands. Appointments for missionary service have reached new heights, and gifts through the Cooperative Program and the Lottie Moon Christmas Offering have surpassed all previous records.

Most of all the year has been a launching pad for Bold New Thrusts into a worldwide task. After many months of prayer, consultation, and searching the Foreign Mission Board, the Home Mission Board, and the Missions Challenge

Committee have united in calling Southern Baptists to an all out effort to see that every person on earth shall have had opportunity to hear the gospel of Christ during the next twenty-five years.

Mrs. H. M. Cagle

BAPTIST CHILDREN'S HOMES REPORT

The variety of services provided by the Baptist Children's Homes of North Carolina have been increased greatly in recent years. Eastern North Carolina has shared in this expansion made possible by the generosity of our Baptist people and other friends of the dependent child.

Odum Home at Pembroke has been a vital part to our total ministry for many years. Groundbreaking ceremonies were observed there on September 30, 1976 for the construction of a cottage for children, a recreation building and a residence for the Director. We are deeply indebted to a fine host of friends throughout Southeastern North Carolina who have responded to the initial challenge by Mr. John Newton and Mrs. Harold Deal, business men in Hickory.

The Frontiersmen program at Kennedy Home for boys and girls to participate in Wilderness Group Therapy is meeting with significant success. The Duke Endowment has recognized the value of this special child care ministry to the extent of giving us a $75,000 grant over a period of three years to insure adequate support for this innovative effort. Other child caring agencies across the nation are studying this program.

Due to the fine spirit of cooperation on the part of the First Baptist Church of Henderson and member churches in the Cullom Baptist Association, an emergency shelter will be opened in Henderson during the month of October. This facility will provide emergency care for children while plans are being made for longer term placement or their referral to other helping agencies.

Foster homes have provided excellent care for many of our children since the beginning of this program in the 1930's. Presently, Eastern North Carolina has seventeen foster homes licensed to care for twenty-seven children. This program should continue to grow in the years ahead. Our greatest need in this area is for foster parents who will open their hearts and homes to serve children with special needs.

The Department of Child Development and Family Education is available to assist pastors and churches in planning and presenting wider services to strengthen, enrich, and support Christian family life. Members of the staff are available upon call to provide assistance in planning for day care, family education, and related interests.

We are deeply grateful at the Homes for every expression of interest and means of support provided by our people. Special gifts, income through the Cooperative Program and the Thanksgiving Offering are vital to our existence. We thank you for every expression of faith and confidence.

Respectfully submitted,
Mrs. James Latta

BAPTIST HOMES FOR THE AGING REPORT

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home, in March of 1951, to five Homes and an excellent Nursing Facility; from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the Fund-Raising Effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. In September 1975, Brother Ralph Cannon, beloved pastor and Trustee of the Homes, was called by the Trustees to serve as Director of Development and Denominational Relations and has been leading the fund raising program for the Western North Carolina Baptist Home in a remarkable way. He reports that the response from our Baptist pastors and people in Western North Carolina has been most encouraging, and that there is every indication that we will reach the goal. We are grateful not only to those in Western North Carolina, but throughout the State, for the happy and successful response that we have experienced thus far as we move toward making this additional Home available for our older people in one of the most beautiful spots in the world.

When completed, the Western North Carolina Home in Asheville will accommodate 50 people and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes and a Nursing Care Unit in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton, N. C.; and the Yanceyville Home in Yanceyville.

In these Homes the best care is given, the compassion and love of Christ shared and underscored. The love gifts of North Carolina Baptists make this Christian care and concern possible through two very vital sources—the Cooperative Program and the Special Offering for the Homes received on the third Sunday of February each year. Through these sources more than 35% of the Homes' total income is provided and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every North Carolina Baptist who makes them possible. Gifts this year through these sources are greater than ever before and if we are to meet the overwhelming needs of older people in our midst we must double and triple our efforts both in numbers ministered to and in support of them.

Close at hand is another venture in the development of the Homes which we're excited about—the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977. Those interested in this phase of the ministry of Baptist Homes may contact Bill Poole, the Executive Director of the Homes for information.

Great things are in store for us in our Homes for the Aging as we look to the future and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

Respectfully submitted,
Mr. Carlie Stone

NORTH CAROLINA BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS—1976

"Christian stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52, compared to a total of $390,000 for the preceding fiscal year.

Tyler LeRoy

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program. The Stewardship theme for this year is "Bold Believers in Giving." Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style. One man said that as he turned his life over to the lordship of Christ and discovered the demands of discipleship, he suddenly realized that his house, his possessions, and his occupational skills belonged to Christ literally, and that they were to be used in trust to accomplish Christ's missions.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the 15 percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

During the past year, January 1976 through September 1976, the churches of our association gave $87,619.68 through the Cooperative Program. A challenging goal this year would be $120,500.00. Last year our churches gave $21,571.56 for associational missions. Our budget needs for the new associational year calls for $25,985.20.

Last year 1126 churches increased their gifts through the Cooperative Program by 15% or more, and 4 associations in our state had 100 percent of their churches giving through the Cooperative Program.

WE RECOMMEND:

1. That a stewardship chairman be elected in every church in our association.
2. That a stewardship conference or Stewardship Decision Night be held for interested churches in order to make available to them guidance materials for use in their stewardship programs.
3. That every church conduct a stewardship emphasis this year.
4. Every church in the association giving something through the Cooperative Program for world mission support, EVERY MONTH.
5. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
6. Every church in the association giving the suggested amount for the support of associational missions, every month.
7. Have a special prayer for some Cooperative Program ministry during every service in each church during the month of October.

George Williams

CHRISTIAN EDUCATION REPORT
October 25, 1976
Perry Q. Langston

Greetings from your colleges. In the time allotted to me, I want to emphasize two things about our seven Baptist colleges–1. they are Baptist, and 2. you can be proud of them.

For Campbell, Chowan, Gardner Webb, Meredith, Wake Forest and Wingate the N. C. Baptist State Convention appoints the trustees. These trustees must be Baptist. The presidents, who must be Baptist, serve at the pleasure of the trustees. The teachers are selected by the President and appointed by the trustees. In our Department of Religion all of the teachers must be Baptist, as you witnessed in the Markham affair three years ago. At Campbell, the Dean, Provost, Director of Admissions, Public Information Director, Public Relations Director, Director of Financial Aid and others are Baptists. Key persons, thus, are Baptist. Denominational affiliation does not make us perfect, but is your best insurance that your colleges are conducted the way Baptists would like.

We are proud of our state schools, but there is still a need for the role played by denominational colleges. State schools are limited as to what they can do in teaching values. We are in danger in America in becoming a materialistic society. A society cannot endure without honesty, integrity, and altruism. Too long the emphasis has been on how to make a living. More help is needed in learning how to make a life.

At Campbell we do more than prepare people for jobs, we offer a Christian education in which information is acquired from a Christian perspective. We offer a setting in which the formation of a mature personality takes place in a Christian environment. Our Baptist schools are producing graduates who will make a meaningful impact on our society.

I am sure that all of our colleges have a number of things for which we can all take pride. Campbell is nearby and the one you and I know best. Briefly:

1. Enrollment is up 5.3% to 1816.
2. Our headcount is 403 more than that, when you add 97 in the Law School, those in our Ft. Bragg Extension, and those we reach in cooperation with Central Carolina Technical Institute at Sanford.
3. Our summer programs reached some 6,000 people–including basketball school, bands, summer school, ministers' conference, aging, etc.
4. The law school is a great addition. I was among those who feared it would take from the regular college. It is the other way around. Leary Davis, his faculty, and the law students have brought a new sense of excitement to the campus. Old Kivett has been completely remodeled inside. Come and see.
5. Our major new building is the Nathan Johnson Natatorium. That is a fancy word for a swimming pool. But at $900,000 it is quite a building.
6. The landscaping of the campus, which is becoming all pedestrian, is looking better all along. If you haven't driven around Keith Hills you owe it to yourself to see. It is a golf course and more.
7. Some of the past success of Campbell has been captured by Winston Pearce's history of the school, THE BIG MIRACLE AT LITTLE BUIES CREEK. you will want to read it.

Past, present, and future of your colleges are reasons to be proud of them. As you go out, you may like to pick up FACTS 1976 with a number of tidbits of information about Campbell. Most of all, come and see your college. You can be proud of Campbell and others.

CHRISTIAN EDUCATION

Baptist College and Baptist History

A careful reading of North Carolina Baptist history reveals that a Baptist State Convention was organized primarily for the purpose of establishing a Baptist College. When the Convention was formed in 1830, there were two church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptists wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Thus, Baptists in this state have been closely identified with Christian higher education for 142 years.

Today, the Christian higher education system of Baptists embraces six other colleges in addition to Wake Forest: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate. Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of the Baptist State Convention. The Council is the only organization of its kind in the Southern Baptist Convention, and is one of the oldest educational cooperatives in America.

Cooperation Between Colleges and Churches

It is not enough that North Carolina Baptists have begun and now support six colleges and one university. Listed below are some of the ways this partnership finds tangible expression year after year:

1. North Carolina Baptist continue to support their colleges through the Cooperative Program and the Baptist College Day offering on Father's Day.
2. The colleges continue to provide training for most of the pastors and other church staff persons who lead North Carolina Baptist churches.
3. Pastors have helped the colleges in their efforts to recruit Baptist young people by furnishing the names of high school students for contact by the colleges.
4. The colleges pledge to North Carolina Baptist youth that financial aid is available to assist them in attending a Baptist college. No qualified student is turned away for financial reasons. Grants, loans and work scholarships are available.
5. Churches, pastors' conferences and associations invite the colleges to send students and faculty to speak and lead programs.
6. Baptist colleges are anxious to receive invitations to serve the churches and associations. Each of the colleges is prepared to send speakers upon request.

North Carolina Baptist Colleges and the Southern Baptist Convention

There are 53 colleges supported by the various Baptist state conventions. The enrollment of the seven North Carolina Baptist colleges comprises about 15% of the total enrollment of these 53 schools. In the BAPTIST FAITH AND MESSAGE, adopted by the Southern Baptist Convention in 1963, the following statement occurs: "The cause of education in the kingdom of Christ is co-ordinate with the causes of missions and general benevolence and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people."

The Mission of Baptist Colleges

In a secular world with its materialistic priorities, Baptist colleges are committed to the guidance of Christian values in the search for truth. Believing that God is the source of all knowledge and wisdom, Baptist colleges can urge students to search for truth in all areas of knowledge without fear.

Baptist colleges reaffirm their gratitude for the support given by Baptists through the Cooperative Program. We further reaffirm our faith in and our support of the local church, and the broad programs of our denomination.

ORDINATION COMMITTEE

The Ordination Committee, following the guidelines set forth in the Constitution of the Association, examined Ray Smith, whose ordination was requested by the Fellowship Baptist Church, Steve Hulsey, whose ordination was requested by the Bethel Baptist Church, and Miss Ann Stafford, whose ordination was requested by the First Baptist Church of Buies Creek.

In each instance, the committee recommended that the church proceed with the ordination.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

REACH OUT is still a program used throughout our Convention and we urge our churches to continue to participate in this program. We will not be having a specific date for High Attendance Sunday in the Little River Baptist Association for the year 1976-77, but we do urge each church to have one.

ACTION is a Sunday School enrollment plan that has been adopted by our Sunday School Board and this plan has had great success in churches throughout the Convention. The materials and information for Action may be secured through the Sunday School Board's Sunday School Department.

As our churches get involved in "REACH OUT" and "ACTION," there will continue to be a need for added teachers. Last year a leadership training course was planned for the Little River Baptist Association, but because of conflicts it had to be postponed. This year we are having a Sunday School Workshop November 1-2, 1976 at the Lillington Baptist Church. We have State Convention workers coming to lead the workshop and there will be conferences for each age group.

We urge all Pastors, Sunday School Directors, and their teachers to attend this very important workshop.

Our Vacation Bible School for the year 1975-1976 had an enrollment of 2938 with an average attendance of 2382. There were 34 churches reporting Vacation Bible Schools, leaving only two not reporting. Our goal this year is that every church and mission will have a Vacation Bible School.

Cecil Harkey, Jr.

BROTHERHOOD REPORT

Jesus said, "Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost." Our brotherhood work gives us an opportunity to be a part of this great work.

This year several of our men from our state have gone to foreign countries to help build churches and witness to the lost people. We want to thank all the pastors and churches that have invited us into your churches this year to promote Baptist Men and RA work. We are happy to report that our Baptist Men and RA work is growing in our Association and State.

God blessed us with a great Baptist Men and Boys Rally on August 21 from 4:00 P. M. to 8:00 P. M. at the Erwin New Recreation Park. We had over 200 men and boys present from 20 churches in our Association.

We had a large group of men, women, boys and girls from our Association to attend our Region No. 4 Baptist Men's Rally at First Baptist Church in Cary on Tuesday, June 1. The key message for the rally was brought by Dr. Cecil Ray, our newly elected General Secretary and Treasurer of the N. C. Baptist Convention.

Your RA Director, Rev. Tommy Hayes, Brotherhood Director, Floyd Glover, and layman Willie Pate attended a briefing on Missionary Educational Dialogue on August 28 at Camp Caraway.

On Monday, September 13, your Brotherhood Department cooperated with the Southern Baptist Convention Committee Staff from Raleigh in having an Associational Missionary Educational Dialogue Meeting in Lillington. All pastors in our Association were invited.

Your RA Director, your Brotherhood Director and Director of Missions, Rev. J. Henry Simpson, Jr., attended the Brotherhood Leadership Training Retreat at

Camp Caraway in Asheboro on September 10 and 11.

Your Brotherhood Director attended the Region No. 4 Meeting in Raleigh on Monday, May 4, 1976, and had the honor of serving on the State Brotherhood Nominating Committee this year.

Your RA Director attended the Pioneers Conference and Track Meet held at Campbell College this year.

Please call us if we can be of any service to you.

Respectfully submitted,
Floyd Glover

DIRECTOR OF MISSIONS REPORT

This year, 1976-77, our SBC theme is "Let The Church Stand Up." The theme for the years 1977-79 is "Let The Church Reach Out—Bold Missions."

The purpose of the Bold Mission Thrust is to give every person in America the opportunity to hear the good news of Jesus Christ and become part of a fellowship of believers by December 31, 1979. This seems like an impossible task, but it need not be if every Christian in every church in every association in every state convention in the U. S. A. is willing to be used by the Lord to get the job done.

The association is the key to successful Bold Mission Thrust efforts. While the state convention and the home mission board have taken the initiative in developing an overall approach, it is within the association that all agency and state programs can come together effectively in cooperation with the association. What a challenging goal!

A resume of the activities of your Director of Missions since April 1 is as follows:

Sermons	23	Committee group meetings	30
Messages	7	Individual conferences	157
Deacon Ordinations—participate	2	Assist pulpit committees	5
Minister Ordinations—participate	3	Meetings outside Assoc.	6
Meetings—attended & promoted	17	Little River News mailed	3,150
		Miles traveled in work	13,785

During this period emphasis was given to a Children's Bible Drill; a Girls in Action Jamboree; a Men & Boys Rally; a Brotherhood Mission Dialogue meeting and an Acteens Funfest.

Plans are being made this year for a S. S. Leadership Training School; a Brotherhood Workshop; a Men & Boys Rally; a Youth Night; a Church Training Workshop. A World Missions conference is scheduled for 1978 with 11 churches thus far participating. Other churches are encouraged to give prayerful consideration to also participate.

Our Mission Action Fund assisted eight individuals during the year—seven Campbell College students (2 internationals) and Brother Scott Turner. This assistance was made possible through the generous support for this Fund. I encourage your continued support and invite others to have a part.

Your Director of Missions is very grateful for the fine work done by Julius Holloway, your former Director of Missions, in laying a good foundation on which to build upon. I am also grateful for the help you provide me in the person of Mrs. Dorothy Harkey who renders faithful service as Office Secretary, Clerk-Treasurer.

Mrs. Simpson and I deeply appreciate the warm reception you have given us, your re-decorating the missionary's home and the many kindnesses shown us. We look forward to a happy and fruitful ministry with you and covet your continued prayers as we work together in serving the Lord and the churches.

Respectfully submitted,
J. Henry Simpson, Jr.

CHURCH TRAINING REPORT

The Church Training Program for our Convention and local Association has been receiving new ideas and aids to help us provide better training for our people. The theme for Church Training this past year has been the same as the 1974 theme: CHURCH—THE SUNDAY NIGHT PLACE. As one of our Denominational leaders shared with me recently, we as Baptists have the best materials and best organizations of any other denomination, however, we lack enthusiasm. Let us as Christians agree in Prayer (according to Matthew 18:19) that God, through His Precious Holy Spirit, will fill us with enthusiasm and boldness to Train, Share and WIN others to Jesus.

Last year our "M" Night Service was held at Lillington Baptist Church. There were 14 churches represented, with eight pastors and seven directors present and a total of 115 persons in attendance. The evening sermon was given by Rev. Maurice Cooper who is Director of Church Ministries and Training for the Baptist State Convention of N. C. The message was entitled "We Hold These Truths."

The Children's Bible Drill was also promoted in Church Training. The drill was held at Fellowship Baptist Church. There were three churches represented: Angier, Antioch, and Oak Grove. There were eight children participating and seven were state winners.

The Church Training Director challenges each church in the Association to have an active training program this coming year. We must learn God's Word if we are to become that which we are commanded to be as Christians.

Respectfully submitted,
Harris Spence

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

During the 1975-1976 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a person who had received financial assistance years ago from our Baptist Hospital, a $29,950 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

The children of one family, upon the settlement of the estate of their father, placed all the residence of the estate with the Foundation to establish a trust in memory of their parents for Foreign Mission support. Their mother and dad had long been interested in this area of our Christian ministry.

A widow tithed the estate of her recently deceased husband to provide an educational scholarship for a student in Christian education in one of our Baptist colleges. Another husband and wife began a trust "To the Glory of God and in Honor of our Pastor." This was but the beginning of a BOOK OF HONOR FOR

NORTH CAROLINA PASTORS AND MISSIONARIES with income to go toward all mission efforts of our denomination through the Cooperative Program. The value of the principal has increased sixty times already since the first gift and several pastors and missionaries have been remembered in this expression of love.

A widow has established a living trust turning over all of her property and financial assets for the remainder of her life, reserving the right to income, and upon her death it will then be divided among several institutions and mission causes, one of which will be mission ministeries in the local association.

New additions during the 1975-76 year to the North Carolina Baptist Foundation assets held for our institutions and missions totaled $210,147.17. This amount combined with the market value of real estate (including the Yanceyville unit of the N. C. Baptist Homes, Inc.), annuity trusts, and the Foundation Common Trust Fund brings the total market value of assets, as of June 30, 1976 to $2,946,044.49.

The income from Foundation trust funds paid to beneficiaries during 1975-1976 was $157,069.28. In previous years the Foundation had paid to beneficiaries $1,018,414.76. The total paid through June 30, 1976 now has reached $1,175,484.04.

Wills still account for a major portion of the assets of the Foundation, but presently the annuity trust accounts comprise $480,270.73 of the total value of the Foundation assets.

Respectfully submitted,
Robert West

EXECUTIVE COMMITTEE REPORT

The executive committee which consists of the pastors and appointed representatives from the churches, met in each regular session as prescribed in the by-laws.

Reports from the various organizations were given and the committee took proper action or gave due consideration as was appropriate.

This was a very eventful year in our association and required the cooperation of all pastors, churches and officers of the Association.

The main issue this year was the calling and moving of Rev. J. Henry Simpson, Jr. on the field as our Director of Missions.

A special session of the Little River Association met at the Lillington Baptist Church for this purpose and Rev. Simpson received a unanimous call.

During the December meeting of 1975, the executive committee approved the painting of the Director's home, both interior and exterior. This work was completed before the new Director moved in the home.

Financial aid was approved for several deserving persons throughout the year.

Some small projects that were approved by the committee are still incomplete, such as the storage building at the Director's home.

On behalf of the Executive Committee, may I take this opportunity to express to all cooperating churches our admiration and appreciation for the cooperation received this year. The pastors and the churches are to be praised for the response that we received. The expense of moving the new director on the field, the painting of the home and the new drapes were all paid for as the work was completed. This could have never been accomplished without your interest and financial support.

May I take this personal privilege to express to you my sincere appreciation for the splendid cooperation of all the pastors and churches during my tenure of service as Moderator of this Association of churches. It has been my pleasure indeed to have served in this capacity with such fine friends who made the work of the Moderator enjoyable.

Thank you again for each thing that you have done to help in any manner.

Respectfully submitted,
Morris H. Andrews, Sr.

1977 MINUTES OF LITTLE RIVER ASSOCIATION

DEDICATED TO REV. IRVIN STEPHENS

Rev. Irvin Stephens

Irvin Stephens was born March 5, 1908 in Wake County, the son of John T. and Minnie Stephens.

In 1938, he graduated from Lafayette High School, Fuquay-Varina, N.C. In 1939, he was married to the former Zenobia McLean of Lillington. Later, in 1952 and 1953, he attended Campbell College.

Brother Stephens was converted in the Macedonia Baptist Church, Rt. 1, Holly Springs, N. C. In April 1952, he confessed the call to preach at the Antioch Baptist Church at Mamers, N. C. where he was a member. Later that year, he was licensed to preach.

In 1955 he was called as pastor of the Hillmon Grove Baptist Church. Following his ordination to preach at the Antioch Baptist Church, he served at Hillmon Grove for 14 or 15 years. During 9 years of this time, he also served as pastor of Pleasant Memory Baptist Church near Coats.

From August 1970 to April 1975, he served as interim pastor of the following churches: Fellowship, Kennebec, Piney Grove Chapel, Antioch Mission, which later became Calvary Church, and Pleasant Memory.

Those who knew Irvin many times thought of the words of the hymn, "Our Best:"

Hear ye the Master's call,
"Give me thy best:"
For be it great or small,
That is His test.
Do then the best you can,
Not for reward,
Not for the praise of man,
But for the Lord.

"Blessed are the dead which die in the Lord, that they may rest from their labours and their works do follow them." Revelation 14:13.

REPORT OF THE AMERICAN BIBLE SOCIETY TO THE SOUTHERN BAPTIST ASSOCIATIONS

In the fall of our Bicentennial year, the American Bible Society completed and published the "Good News Bible" in Today's English Version. This is the culmination of years of precise, pain-staking translation work. It makes available for the first time, a faithful translation of the sacred text in a style of language readily understood by most people.

The purpose of the American Bible Society has remained unchanged throughout the years--the translation, publication, and distribution of Scriptures without doctrinal note or comment and without profit. Since 1816 the American Bible Society has been making God's Word available to spiritually hungry people everywhere. At least one book of the Bible has been translated into more than 1,600 Languages as of December 31, 1976.

Here are a few highlights of what the American Bible Society and its partners did in 1976 to meet the challenge.

GOOD NEWS FOR NEW READERS--THREE YEARS AND STILL GOING STRONG

Just over three years ago, GOOD NEWS FOR NEW READERS was launched in Addis Ababa, Ethiopia. The goal of the Bible Societies was to provide Scripture Portions and Selections on graded levels for new readers in 100 languages. By the end of 1976 work had been undertaken in 286 languages. Not only are these Selections available in languages like English, Spanish, French and Portugese, but you can also find them in Dangme, Isizulu, Punjabi and Jacalteco. In Africa alone, there are 79 GOOD NEWS FOR GOOD READERS projects.

TRANSLATION AND PUBLICATION UPDATE, 1976

A major item in the budget of the American Bible Society is translation of the Scriptures. At present, the Bible Societies are giving help directly and indirectly in 560 languages. Fifty-two of these translation projects are in Europe. Three major projects completed were "Good News Bible" in Today's English Version, the "Millenial Bible" in Polish, and the common language New Testament in Today's Chinese Version.

AMERICAN BIBLE SOCIETY ACTIVITIES - U. S. A.

Scripture Distribution - Scripture distribution in the United States during 1976 reached a total of 114,769,046 copies, and increase of 5,229,265 over 1975. One million copies of the "Good News Bible" were circulated in the month of December alone, one month after publication.

Scripture Imprints - In 1976 the American Bible Society produced 15,227,850 scripture imprints, of which 4,636,000 were requested by various Southern Baptist organizations.

BIBLE SOCIETY ACTIVITIES ABROAD

The American Bible Society contributed $5,649,892 to the United Bible Societies World Service Budget in 1976 thus giving crucial support to the Bible Cause throughout the world. This made it possible for more than 330,000,000 Scriptures to be distributed by member societies of the United Bible Societies--a new record.

Here are just a few ways the American Bible Society is assisting the missionary activities of the Southern Baptist Convention.

Brazil - the GOOD NEWS FOR NEW READERS Scripture Literacy Selections are widely used by MOBRAL, Brazil's literacy organization, with the newly new-literate. They are now available in two languages, Kaingang and Portugese. Distribution of these Selections more than doubled from 479,372 in 1975 to 999,304 in 1976.

Indonesia - Two training seminars were held for the New Reader Program in Central and Eastern Java. 100,000 children were involved in these programs. Each child was able to read 55 different Bible Selections in a few weeks. These training seminars were highly successful.

Eastern European Update - In spite of unique and difficult obstacles, the Bible cause in Eastern Europe is advancing. At present there are 12 translation projects underway in these countries. In the last decade, over five million Scriptures, most of them complete Bibles or New Testaments, have been distributed throughout Eastern European countries.

HOW CAN THE SOUTHERN BAPTIST CONVENTION HELP PROMOTE THE BIBLE CAUSE?

Financial support - The American Bible Society thanks the Southern Baptist Convention for its support in 1976. Income from the churches was also greater than the previous years. A total of $1,739,195 was received, of which $275,631 came from the Southern Baptist Convention.

If the 9,300,000 resident members of the Southern Baptist Convention were to raise their level of annual support to $5 per member, total giving would reach $468,100 per year. This modest amount per member is really needed in order to help make certain that the Bible Society will have the Scriptures needed by the Southern Baptist Convention for its ministries around the world.

The Bible Society asks for your continued prayers that we will be blessed by God in our efforts to bring His Word to all those who are in desperate need of it.

Respectfully submitted,
Randy Godwin

EXECUTIVE COMMITTEE REPORT

The Executive Committee, which consists of the pastors and appointed representatives from the churches, met in regular session as prescribed by the by-laws, with the exception of the January meeting which was called off due to the weather.

Reports were heard from the various organizations and the proper action was taken on each one by the committee.

This has been a good year for our Association and the cooperation of the pastors and members of the committee has been just as it should be, always with the true spirit of Christian brothers and sisters working together.

Financial aid from our "Mission Action Fund" was approved for several deserving persons during the year. At this point, we would like to express appreciation to all who have given to the Fund this year. At the present we have $907.29 in the Fund and I am sure this money you have given will be well spent for "Special Occasions" in addition to our Associational Budget.

During the August Meeting the Committee made nominations (two) to the General Board for the purpose of replacing Brother Henry Stokes who resigned from the General Board in July in order to take a position with Wake Forest University. Brother Stokes, a representative from our Association was serving a term from 1975 thru 1978. The two nominees were: Rev. John Rogers, Buies Creek First Church Pastor and Rev. Julius Holloway, retired Director of Missions for the Little River Baptist Association. The Committee strongly felt that either of these would be a good representative for our Association. One of the two will be selected to represent our Association at the Baptist State Convention this fall.

We express deep appreciation for the splendid cooperation of all the Pastors and the representatives of the churches in our Association this year.

Respectfully submitted,
Robert L. Clark, Moderator

CHRISTIAN LITERATURE REPORT

We believe in the value of wholesome, Christian literature and know that as Baptist we are fortunate to have many good publications. Printed matter is almost without limitation.

Our children are learning to read at an earlier age. It certainly behooves parents to make available for themselves, and for their children, good books and clean literature. A quote from W. J. Dawson says: "If you would voyage Godward you must see to it that the rudder of thought is right."

Various agencies of our Southern Baptist Convention provide Christian literature for all ages. You will find a listing in the SBC Annual. Also on the "Church Literature Order" form provided by the Convention Materials Service Department in Nashville.

If we expect our children to read Christian Literature, we must clean up the undesirable in our homes. Our news stands are filled with pornographic magazines. They are sold only for the profit. Take away the buying and you take away the profit. So if we really want to clean up the news stands, we must stop buying the undesirable publications.

The Biblical Recorder is the journal of the Baptist State Convention of North Carolina and should be in every Baptist home. The Recorder circulation approaches 120,000 but should be increased in the immediate future to 150,000. If your church is not sending the Recorder to resident families at the present time, arrangements should be made to do so by incorporating it in your church budget. The Recorder doesn't cost, it pays. It is the most widely read piece of literature received by North Carolina Baptists.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local church and in the denomination, interest is generated and cooperation results. The Biblical Recorder strives to keep us well informed.

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Mission Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His Lordship.

Respectfully sumbitted,
Mrs. Alice O'Quinn

ASSOCIATIONAL SUNDAY SCHOOL REPORT

This past year an Associational Sunday School Leadership Training Workshop was held, November 1-2, 1976 with Lillington Baptist Church. State Sunday School leaders led conferences for all age groups. The emphasis in each conference was on Teacher Improvement Curriculum material, how to teach and approaches to Bible Teaching. We feel that this was a very worthwhile effort for those who attended.

In the conference for General Officers, the Action Program was presented and discussed. As a result of this presentation by John Privott, Director of Missions, North Roanoke Association, one of our churches, Antioch, promoted the Action Program in their Sunday School with good results. Forty to Fifty new persons were enrolled in the Sunday School.

An Associational Vacation Bible School Clinic was held March 21 with Lillington Baptist Church. Conferences were held for all age groups. Prior to the Associational Clinic, several of our conference leaders attended the State Vacation Bible School Clinic at Camp Caraway, March 10-11.

We are looking forward to good results from High Attendance Day on October 30. November 20th has been set for "The Good News North Carolina Bible Celebration." Baptists, in cooperation with other denominations, are seeking to promote appreciation for God's Word and specifically to acquaint North Carolians with the Good News Bible.

Plans are being made to have a Sunday School Associational Workshop led by conventional personnel in September.

Let us commit ourselves to reaching more people for Bible study in the year 77-78.

Respectfully submitted,
Cecil Harkey, Jr.

SUGGESTED ASSOCIATIONAL STEWARDSHIP-COOPERATIVE PROGRAM REPORT - 1977

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions." "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

In 1 Corinthians 3:9, the apostle Paul says, "...we are labourers together for God." We must continually challenge one another as Baptists to minister in Christ's name through the church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to a bold mission task calls for specific action on our part as individuals and churches. During the past year, the churches of our association gave $102,578.94 through the Cooperative Program. Last year our churches gave $27,303.80 for associational missions.

WE RECOMMEND THESE GOALS:

1. Every church in the Association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for world mission support, and giving the suggested amount to Associational Missions.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers in Giving Through a Growing Commitment."
5. That an associational stewardship conference be held in order to assist churches in planning and conducting their stewardship program.
6. That every church double their giving to associational missions by 1982.
7. That every church increase their contriubtions to the Cooperative Program each year until every church doubles or reaches a goal of at least 331/3% of undesignated thithes and offerings to the Cooperative Program by 1982.

We have a Chrisitan responsibility to support the total program of associational missions and the cooperative program.

The rewards are great, our local churches, our association, the state and Southern Baptist Convention will benefit greatly from the increased tithes and offerings. Working together the lost can hear God's word and the needs of humanity met.

Respectfully Submitted,
Harrington Morrison

BROTHERHOOD REPORT

Brotherhood is involving men and boys in missions. The Bible tells us that the harvest truly is great, but the laborers are few. Come on men and boys, lets get involved in missions through Brotherhood and RA work.

An Associational Brotherhood Workshop was held Monday, November 29 with the Fellowship Baptist Church at 7:30 P.M. with an attendance of 40 and 11 churches represented. Four conferences were led by leaders provided by our State Brotherhood Department in Raleigh for Baptist Men officers and Baptist Men and for Crusader and Pioneer R.A. leaders.

An Associational Men and Boys' Rally was held March 1st with the Erwin First Baptist Church at 7:30 P.M. A testimony was given by Benny Woodall, RA from Fayetteville and a challenging message by Dr. Cecil A. Ray, our State Convention Executive Secretary-Treasurer. Total attendance was 115.

We had 38 men from our Association who served as ushers at our Baptist State Convention in Fayetteville November 16, 1976.

Your Brotherhood Director attended the Region No. 4 meeting in North Raleigh July 27, 1977.

Several of our men attended the Regional Mens' Rally at Greystone Baptist Church in Durham Sunday, August 28 at 3:00 P.M. The speaker was Rev. Bob Shepherd, Sanford's First Baptist Church pastor and President of the General Board of our Baptist State Convention.

Eight men from our churches attended the Leadership Training Session at the First Baptist Church in Raleigh September 13, 1977.

Another Associational Brotherhood Workshop was held September 29 this year with the Angier Baptist Church at 7:00 P.M. - 9:00 P.M. with 25 attending. The RA conference was led by our RA Director, Tommy Hayes.

We had 22 of our boys to spend a week at Camp Caraway this summer. Our goal next year is to send 50 boys to camp for one week each.

The following events have been planned for this Associational Year:

1. March 1, 1978 -- Associational Men and Boys' Rally
2. August 19, 1978 -- (Saturday) Associational Men and Boys' Outdoor Rally 4:00 P.M. -- 8:00 P.M. at Erwin's new Recreation Park.
3. September 19, 1978 -- Associational Brotherhood Workshop

With God's help in the coming year, we hope we can give assistance to all of our churches in Brotherhood work.

Floyd Glover

WOMAN'S MISSIONARY UNION ANNUAL REPORT

Our theme for Woman's Missionary Union this year has been "Mind the Future." Our watchwork, "Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all to stand." (Eph. 6:13). This reflects the task which confronts the church in its fight against all the deviltries abroad in the earth.

Our hymn, "Stand Up, Stand Up For Jesus" is militant in spirit and is based upon Paul's imagery of a Roman soldier's equipment. The final verse reads:

Stand up, Stand up for Jesus.
The strife will not be long;
This day the noise of battle,
The next the victor's song;
To him that overcometh
A crown of life shall be;
He, with the King of glory,
Shall reign eternally.

This has been a busy year for WMU. The spirit of the women has been great. Some of our activities have been, "Growing a Nobody to be a Knowbody." On February 14, WMU Directors honored their pastors and their wives with a dinner at Campbell College. Rev. John Moody brought us an inspiring devotional thought and music was enjoyed with Mr. Tim Moose leading us.

As a project from the state office, we agreed to furnish 250 tubes of tooth paste to be given to the women in the N.C. Correctional Center. What a thrill it was to carry 500 tubes from our women.

Other activities included our Associational Study Course, STRONGER THAN MUSHROOMS, taught be Mrs. J. Henry Simpson, Jr. We met at Buies Creek First Church and their women served delicious refreshements.

Our annual meeting was held at Harmony Church and was well attended. On program was Mrs. Ronald Carter of the WMU staff who talked on State Missions. Our missionary speakers were Rev. and Mrs. Thomas Waddill of Zambia.

This is my fifth year as Associational WMU Director. I have enjoyed serving the faithful women in WMU and also on the Missions Committee. Let us all support our new director, Mrs. Harold Owen, and never forget that we are "Laborers Together With God".

DIRECTOR OF MISSIONS REPORT

The theme of our Southern Baptist Convention 1977-79 is "Let the Church Reach Out." The Theme of our Baptist State Convention 1977-78 is "Sharing Christ Through Bold Missions." The theme for this year's annual associational meeting is "Let The Church Reach Out In Bold Missions."

The purpose of these themes and emphasis given by our leaders through our Home and Foreign Mission boards and the agencies and institutions of our SBC and Baptist State Convention is to challenge Southern Baptists to become actively involved through prayer and commitment in an all-out effort to evangelize our nation and our world for Christ by the year 2000.

If this challenging goal is to be realized, the association is vital to the effectiveness of Bold Mission Thrust. This can be done only as the pastors, church leaders and members in every association give themselves wholeheartedly to the task through voluntary cooperation.

May I share with you some of the activities your Director of Missions has been engaged in during the past year:

Sermons (includes 2 revivals)	41
Messages	12
Meetings-attend-promote	30
Individual conferences	321
Committee-group meetings	78
Meetings outside association	21
Dedication services, etc.	9

Miles traveled in work	21,111

In addition to promoting the various associational meetings, your Director of Missions was involved in promoting the following events: Pastors' Participation in the Cultural Enrichment Program, Campbell College; a Deacons' Workshop; Campbell College Day in the churches; Pastor Appreciation Day and the State Missions Offering.

As we enter a new associational year, I urge you to keep in mind: 1. Our coming **WORLD MISSIONS CONFERENCE - APRIL 16-23, 1978.** Thus far 20 churches will participate. Other churches may yet come in. 2. **OUR MISSION ACTION FUND** which assisted one international student at Campbell College this past year and which needs our continued support. 3. **OPPORTUNITIES FOR SPIRITUAL MINISTRIES** outside the walls of our churches in rest and nursing homes, jails and rehabilitation centers, migrants, etc. A number of our churches engage in such ministries and are to be highly commended. Other churches are encouraged to have such ministries.

Mrs. Simpson, who has also been busy teaching mission studies and rendering other services when called upon, and I deeply appreciate your support, love and prayers. We covet your continued prayers as we labor together during the coming year.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Baptists of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions...reaching out with a helping hand; it is evangelism...sharing the joy of life; it is restoration...enabling families to function again.

CAMPUSES at Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

FOSTER HOME CARE, a statewide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

EMERGENCY SHELTERS at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

THE SPECIAL WILDERNESS THERAPY PROGRAMS for boys and girls at Kennedy Home are meeting needs of children who cannot be served in conventional type programs. This program needs to be expanded to serve other areas of the state.

ODUM HOME construction made progress during the past year. The Sara Catherine Deal Recreation Building and the residence for the resident director have been completed and were dedicated on September 30, 1977. Excellent progress is being made on the Indian Memorial Cottage which is being financed and constructed by the Indian people of Pembroke and surrounding area.

SOCIAL WORK AND FAMILY RESOURCE CENTERS enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These centers are located at Waynesville Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

THE CHILD DEVELOPMENT CENTER on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering.

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Home on the Pearson Estate on Richmon Hill, in Northwest Asheville last October when more than a thousand people from our Western North Carolina Baptist Churches, as well as many others throughout the State, were present. It was a thrilling moment indeed when Trustees, Staff, and Residents of the Homes, Pastors and other Church Leaders latched on to ropes, attached to a hugh bulldozer, pulled together and helped to move the first dirt at the site, heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accomodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. 66 more people will be served in our Baptist Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February Offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The needs of older persons in our society today are great and are overwhelming. Plans are in the making for an acclerated ministry in our North Carolina Baptist Homes that will touch an ever increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever before. The future of our North Carolina Baptist Homes is as bright as the promises of God, and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

CHRISTIAN EDUCATION

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

The Ordination Committee, following the guidelines set forth in the Constitution of the Association, examined Jimmy Brown, whose ordination was requested by the Buies Creek First Church and Willie Bryant, whose ordination was requested by Chalybeate Springs Baptist Church.

In each case, the committee recommended that the church proceed with the ordination.

NORTH CAROLINA BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS
1977

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Person with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches: last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie believing that this tie adds a dimension to the ministry of healing, teaching, and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.56 compared to a total of $405,946.52 for the preceding fiscal year.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Christian Life Council majored on two aspects in 1977 - the family and legislative issues. W. Douglas Cole became director of the Christian Family Life Department January 1, 1977. Under his leadership the Council sponsored marriage enrichment retreats, minister-wife retreats, parenting workshops, conference for engaged couples, sex-education conference and promoted the National Single Adult Conference at Ridgecrest. In addition, many tracts on the family were printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved on a number of issues. Some of the issues were assigned to the Council by the Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legislative concerns were pornography, liquor-by-the-drink, capital punishment, Equal Rights Amendment, chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying, particularly as it related to euthanasia (easy death) or, as it is commonly called, "mercy killing."

Numerous calls from Baptists for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everyday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that end the Christian Life Council is dedicated.

MINISTER'S RETIREMENT PROGRAM REPORT

New Program Highlights Year

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than $158 million in retirement and protection benefits.

A 13th Check amounting to one month's income was mailed for the eleventh time to annuitants. The combine amount of this extra benefit came to $830.525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976.

THE CHRISTIAN ACTION LEAGUE OF N. C.

The N. C. Christian Action League has been engaged in a two pronged attack on the moral front during the past year. A real effort has been made to curb the flow of pornography, and the liquor-by-the-drink issue has been opposed at every turn.

In the legislative program of the League a questionaire was sent to each candidate for the State Senate and the House of Representatives asking for views on the question of the disemination of hard-core pornographic materials. Another question went so far as to suggest a state-wide vote on the matter of regulating and controlling distribution of pornographic materials.

Senate Bill No. 539 was introduced by Senator I. Beverly Lake, Jr. of Wake County. It is hoped that this law will regulate and eventually do away with hard-core pornography in North Carolina. The bill was amended many times, but the strength of the Statute remains intact. This new law will permit the solicitor or the attorney general to proceed against pornography.

Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink began before the election of Senators and Representatives last year. An all out campaign was conducted to ascertain the views of candidates on the question of more liberal laws in relation to the sale of alcoholic beverages. Many committed themselves to oppose any such legislation and become voting members of the 1977 Assembly. We counted heavily upon these friends to hold the line against the encroachment of any new legislation that would merchandise whiskey like apples and oranges, and no such legislation was passed during the 1977 session.

Senate Bill No. 735 was introduced in May. This bill would have given a vote to any county, city or town which had an ABC store to determine if liquor-by-the-drink sales would be authorized. The bill would have allowed the addition of such sales on top of "brown-bagging." In other words, a restaurant which qualified could have had both types of permits. This would have given

North Carolina one of the most liberal systems in the United States. Due to some vote-swapping to revive the pornography bill, this measure passed the Senate by a 24-23 vote. The proponents of the bill, realizing that it was headed for defeat in the House by at least 15 votes, made a last minute move which sent the bill back to the House ABC Committee, where it will await next year's session of the General Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You spoke loud and clear in opposition in the state-wide referendum in 1973, and we don't believe you have changed your minds. You are urged to contact your Representatives and either encourage him in opposition to the bill or request his support for the defeat of Senate Bill No. 735.

The Christian Action League appreciates the support which has been given this past year, and reminds you that we can do only that which you enable us to do through your contributions.

Respectfully submitted,
The Christian Action League of N.C.
D. P. McFarland, Executive Director

EVANGELISM REPORT - 1977

Someone has described evangelism as "One hungry person telling another where to find bread." No matter how elaborate and varied our programs for the evangelizing of our nation, the center of the action will continue to be in the churches. Mass evangelism is a tremendous implement for reaching people for our Lord, but it cannot replace what thousands of churches in as many communities must do. Television, radio and the printed word are being greatly used to reach people with the Message of salvation through Christ, but the opportunity and responsibility of pastors and churches is still the greatest of all.

North Carolina Baptists, with 3,500 churches and over a million members are baptizing a little more than 30,000 persons each year, but this is not enough. In 1975 the number of churches reporting no baptisms decreased by 112, but we still had 577 churches that reported no baptisms.

Our Statewide Evangelism Conference continues to be the single most largely attended and greatly appreciated state meeting by the pastors. Our youth summer evangelism teams, the Statewide Youth Evangelism Night and the Youth Ministry Week at Caswell have been significant in our denominational evangelism thrust.

One of the most encouraging and challenging things in Southern Baptist life is the tremendous increase in the student bodies of our seminaries. Every one of them is crowded with students, and this bodes good for our future.

The Little River Baptist Association, with 34 churches and 2 missions, reported only 229 baptisms in 1976. Four churches reported none, and four others reported only one baptism each. In some cases these churches were without pastors.

Our Evangelism Section of the Home Mission Board, for all its varied and innovative programs, is placing the emphasis where it belongs with the "Pastor's Evangelism Planbook." Bold Missions is not worthy of the name unless it involves pastors and churches in a bold concern for the lost and a bold program to reach them with the message of salvation in Christ. We all need to heed the words of Paul to Timothy: "Watch thou in all things . . . do the work of an evangelist." (II Timothy 4:5)

Thomas Freeman

CHURCH TRAINING REPORT

Many churches in our Association have been actively "Teaching them to observe (to understand, to follow, to do) all things" that Christ did. Through Church Training they are developing Christian skills and attitudes. They are growing in knowledge of God, of the Bible, and of Baptist Theology in contrast to other religions. They are enjoying the fellowship of other church members. But more significant results of Church Training are evident: this phase of church work provides better leadership for the total church program. It is good to note the renewed interest in Church Training in our Association.

Three main associational events upheld the 1976-77 theme EXPLORING DISCIPLESHIP AT CHURCH: The Sunday Night Place. All were well attended and inspirational. Some statistics are as follows:

1. M-Night, our associational rally, was hosted by Hillmon Grove on December 6. That church generously provided refreshments for everyone upon arrival. Leaders had opportunity to examine new materials displayed in the fellowship hall of the church. Later the main program opened with special music from the Angier Youth Choir led by Timothy Moose. Our Children's Director, Georgia Brown, with the Children II from Chalybeate Springs gave a demonstration Bible Drill. Roy Smith, of the State Convention, in his message, challenged us to become disciples.
2. One hundred ninety-six people, representing eleven churches, attended M-Night. The attendance award went to Hillmon Grove with forty-four people present.
3. ASSOCIATIONAL CHURCH TRAINING WORKSHOP was the next significant event for us. The conferences were held at Antioch, May 16-17 from 7:00 P.M. until 9:00 P.M. Jim Simpson of the N.C. Church Ministries and Training Department, came with a team from the Raleigh area to conduct these conferences. The General Officers were led by George Pullium, the Adults by Jim Simpson, Youth by Dot Mills, Children by Patsy Adcock, and Pre-School by Doris Morgan. Part of the second session was devoted to viewing and discussing the film: BOLD DISCIPLESHIP. Ten churches were represented at this workshop. The attendance Monday was forty-two and Tuesday, thirty-four.
4. On May 23 the ASSOCIATIONAL CHILDREN'S BIBLE DRILL was held in the Chalybeate Springs Church. Selections of music were presented by the Children's Choir of North Clinton Avenue Church with Gary Furr directing. A total of fifteen children from Antioch, Chalybeate Springs, and Oak Grove participated in the drill conducted by Georgia Brown. Mrs. J. Henry Simpson brought an inspiring message to interested leaders and parents.

These annual events with two others are planned for the year 1977-78. Notice the tentative dates given in this report:

October 30, 1977	Deacons & Wives Workshop
November 27, 1977	M-Night
March 18, 1978	Youth Night
May 8-9, 1978	Church Training Workshop
May 15, 1978	Children's Bible Drill

WORLD MISSIONS REPORT

As Christians we are under the direct orders of Jesus Christ, our Commander-in-Chief to "Go into all the world and preach the gospel to every creature." Mark 16:15.

The SBC was founded "for the promotion of Christian missions at home and abroad and other objects such as Christian Education, benevolent enterprises and social services." (SBC Constitution, Art. II)

The Baptist State Convention was founded "to promote missions, evangelism, education, social services." (BSC Constitution, Art. II)

WORLD MISSIONS INVOLVES ASSOCIATIONAL MISSIONS.

Missions begins at home and reaches out into other geographical areas. Missions is where people are who are lost and need Jesus Christ as Saviour and Lord. As Southern Baptists we cannot have a strong witness abroad unless we have a strong mission base at home.

The association exists to provide fellowship and a working relationship through voluntary and cooperative efforts in our churches to minister to the spiritual needs of lost people in our own associational area in obedience to our Lord's great commission.

Opportunity is provided for the churches of our association to become actively involved in missions through: Mission Bible Schools, Backyard Bible Classes, services in rest and nursing homes and in jails and correctional institutions, assisting smaller churches and through our mission action fund to aid benevolent causes such as worthy local and international students, ministerial students who need financial aid at Campbell College, etc.

WORLD MISSIONS INVOLVES STATE MISSION.

North Carolina Baptists sponsor 51 ministries in a wide range of areas including assistance to new churches, associations, the deaf, students, correctional institutions, camps and assemblies and many others. In some areas State Missions money is used to match funds from the HMB in work that is known as cooperative ministries. Some of the cooperative ministries are work with Indians, cooperation with National Baptists, metropolitan ministries, Christian social ministries, work among migrants and others.

On Sunday, September 18 our State Missions Offering was promoted in the churches of our association in keeping with our state theme: "OPENING THE DOOR TO BOLD MISSIONS IN NORTH CAROLINA." The state goal for this offering was $1,385,000 with our association's goal of $15,000. Beside the ususal state missions ministries the offfering is to be used to eliminate the Convention indebtedness on North Carolina Assembly's auditorium, a class-room building at Fruitland Bible Institute, the Caraway Conference Center, and the enlargement of the Baptist Building in Raleigh,

As of October 5th the churches of our association report a total offering of $10,500.00 for State Missions.

WORLD MISSIONS INVOLVES HOME MISSIONS.

In 1976 the Baptist Home Mission Board kicked off a four-year mission emphasis called Bold Mission Thrust.

The challenge of this Bold Mission Thrust is an effort to evangelize and "congregationalize." (1) Let every person in our land have an opportunity to hear and accept the gospel of Jesus Christ and (2) Let every person in our land have an opportunity to share in the witness and ministry of a New Testament fellowship of believers.

This is certainly a bold plan and in the eyes of man seems an impossible task, but with God all things are possible. If every Southern Baptist in our 35,000 churches has faith, vision and dedication depending on the Holy Spirit, this goal can become a reality.

Bold Mission Thrust will focus its strength on four special areas: (1) the more than 600 U.S. counties without Southern Baptist Churches, (2) several "key" cities, (3) the millions of Americans alienated from society by their culture or life-style and (4) churches in transitional communities.

During its more than 130 years the work of the HMB has progressed greatly. From missions to blacks, Indians and the city of New Orleans, home missions has grown into 14 definable, modern programs of mission work and more than 100 types of Christian ministries.

Now home missions stands on a threshold that opens boldly onto a nation that desperately needs Jesus Christ. It is the duty of all of us to go forward with our life-changing message.

WORLD MISSIONS INVOLVES FOREIGN MISSIONS.

The theme for the bold new plans in foreign missions projected for the last quarter of this century is: TOTAL MISSIONS THRUST: GLOBAL DISCIPLESHIP.

Christian disciples who are disciplined, committed, and responsive to their Lord's command must move out across the world in ever-increasing numbers if we attain the primary objective of our plans: to proclaim the gospel to all people by the end of this century.

By the year 2000 the world's projected population will be nearly twice the present population. Foreign missions activities on the present scale will not suffice to reach the major objective. Many more personnel will be needed. Financial resources must greatly increase. New, more effective programs and methods of communication and witness must be discovered and used to the fullest. Areas of cooperation with other Christian groups involved in gospel proclamation must be explored.

Mrs. J. Henry Simpson, Jr.

REPORT OF THE N. C. BAPTIST FOUNDATION, INC. 1977

The North Carolina Baptist Foundation, Inc. was approved in 1919 and chartered in 1920. The objectives were clearly stated in the charter: (1) To promote the making of gifts...for Baptist causes, and (2) To receive, own, hold, administer, and distribute gifts of any kind.

Foundation continues to strive toward fulfilling the objectives stated in its charter.

Growth of assets have increased from the original $2,000 in 1920 to $3,696,612 in 1977. Total income paid out to Baptist causes thru 1976 was $1,175,484 including the amount paid from the Graves estate to build the Yanceyville unit of the Baptist Homes.

The staff consists of three salaried employees: Edwin Coates - Executive Secretary; Sara Ann Hobbs - Director of Estate Planning; and Dianne Babb - Staff Assistant. Leon Spencer is employed to maintain operating budget records and Tom Dimmock, a Raleigh attorney, is retained for consultation on legal matters and preparation of legal documents.

The Foundation provides unique channel for persons to provide tangible financial assistance for all Christian ministries fostered by Southern Baptists FOREVER. The three prime methods utilized for this are the testamentary gift, the annuity trust and the charitable remainder trust.

Future needs include constant training for personnel as tax laws change, closer relationship with Baptist institutions in understanding needs of the institutions and helping to train development staffs of the institutions, better follow-up services for donors to the Foundation, and more direct management of funds by Foundation staff and the Board's Investment Committee.

Long-range goals call for assets of $5,000,000 by 1980 and $10,000,000 by 1985 and an annual increase of testamentary gifts of $1,000,000 per year through 1980 and $2,000,000 per year, 1980-1985.

Bobby Hollar

EXECUTIVE COMMITTEE REPORT

The Executive Committee, which consists of the pastors and appointed representatives from the churches, met in regular session as prescribed by the by-laws of the Association.

Reports were given from the various organizations and the proper action was taken on each one by the Committee.

Financial aid from our "Mission Action Fund" was approved for several deserving persons during the past year. At the present we have a balance of $1166.82 in the "Fund." This money is for "Special Needs" of individuals and Institutions that are not covered in our Associational Budget. Let me say at this point, that we deeply appreciate your response in giving to this cause. This money is always spent wisely as to assure those who give that the individual is worthy of the amount given them.

During the July meeting the Committee made two nominations to the General Board of N. C. Baptist for the purpose of a representative from our Association on the General Board. Rev. John Rogers has been serving as a replacement for Brother Henry Stokes whose time expired as of this year. The two names submitted to the General Board for the term of 1979 thru 1982 are Rev. John Rogers, Buies Creek and Brother Linwood Matthews of the Neills Creek Church. One of the two will be selected to represent our Association at the Baptist Convention this fall.

We express our deep appreciation for the splendid cooperation of all the Pastors and the Representatives of the churches in our Association this past year.

Respectfully submitted,
Robert Clark, Moderator

WMU REPORT - 1977-78

As Woman's Missionary Union comes to the end of the second year of it's three year emphasis on "Teach Missions," may we glance backward briefly to observe the foundation of knowledge and growth that has been laid. With knowledge and growth comes changes in attitudes, widened horizons, and a willingness to do something about the needs of lost people. Our "Teach Missions" emphasis this year has been to be, to do.

The WMU Watchword for 1977-78 is a very special verse by Isaiah that says those who let the Lord become their lifeline can exchange their limited strength for God's source of power.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." (Isa. 40:31).

The hymn of the year "Breathe On Me, Breath of God" shows how a loving God reaches out to man and breathes into him the breath of life making him to become a living soul made in the image of God.

Our WMU year 1977-78 began a five hour manual study done in two night meetings at Angier Church. A total of 110 women attended these studies.

In November the Foreign Mission Graded Series book for adults, "Rivers of Ink," was taught at Memorial Church by Mrs. Henry Simpson. This was a joint promotion of Associational WMU and Brotherhood. A second joint project was a Bold Missions Booth at the World Missions Fair at Campbell College Auditorium in April as a part of our World Missions Conference.

The theme for the WMU Pastors/Wives Appreciation Banquet February 14 at Campbell College was "The Church Reaching Out In Love." A very moving message brought by Rev. Earl Bengs, missionary on furlough from Malasia, made us more aware of the needs of those we are to reach.

The WMU participated in two mission action projects this year. One to the N.C. Women's Correctional Center furnishing 250 tubes of lipstick for Christmas packages and the other was health kits for the migrant workers in this area. Most of the churches participated. We have 31 churhes reporting at least one organization.

Our Annual Meeting was held at Erwin First Church with 136 in attendance from 20 churches. Our missionary speaker was Mrs. Grace Faulkenberry from Lynchburg, Virginia, Director of the Baptist Center there.

A beautiful installation service by Mrs. Henry Simpson called our newly elected officers to their tasks.

Little River WMU was recognized at the State WMU Meeting in Fayetteville for having advanced achievement.

The WMU Director attended the Key Leadership Conference at Ridgecrest in May, the subject being "Bold Mission Thrust" sponsored by the State Baptist Convention. On July 19th a Bold Mission Conference was held at Buies Creek Church. 21 women attended the WMU Session.

COMMITTEE ON MINISTER'S HOUSING

This committee met in the Associational Office on September 27, 1978. The committee spent much time in the discussion of the consideration of churches providing parsonages for their pastor and family against the feasibility of giving a housing allowance. The committee makes the following recommendations:

1. That each church carefully evaluate it's own financial situation as to church property and finances.
2. Have a heart-to-heart talk with the minister and his family as to what they desire.
3. After all options are considered the committee feels that all effort should be put forth to help the ministers in creating an equity in housing to help secure their future financial needs.

WORLD MISSION REPORT

Once again we have come full circle to the meeting of the Little River Association, and once again we remind you of the last words of our Lord Jesus Christ when he was here on earth, "Ye shall receive power, after that the Holy

Ghost is come upon you, and ye shall be witnesses unto me, both in Jerusalem and in all Judea, and in Samaria, and unto the uttermost part of the earth." (Acts 1:8).

We have completed our second full year of Bold Mission Thrust. As far as World Missions is concerned, and the winning of the world to Christ by the year 2000, has it made any difference to you? Has it been "'business as usual?" Are we still standing before the open door or world evangelization passive and paralyzed, or called and committed?

What have we done with our Jerusalem? Little River Association may not have the dirty, garbage strewn streets of a big city ghetto, or the political and economic corruption of a New York or Chicago, but we have our neglected; our pockets of spiritual poverty and ignorance; our injustices that need to be righted. We have adults who cannot read, children who are not in Sunday School; youth in jails who need someone to care for them and help them find their way on the right road. We have the thousands of migrants who pass through our area every year. What church has reached out this past year in a new ministry of "giving a cup of cold water in the name of Jesus" or began a systematic, organized effort to reach the lost of their community? What have we done with our Jerusalem?

What have we done about our Judea? State Missions, at this writing, is being promoted throughout our churches in the Little River Association. Some churches are doing well; others not so well. Somehow we must catch the vision of what God wants us to do in North Carolina through our state mission program, our more than fifty-one ministries, and realize that we can never be bold in missions in North Carolina unless we reach our goal of $1,200,000. Some ministry is going to be left out, unless we learn to give up some of the things we believe are essential to our lifestyle, and learn to give sacrificially. And while we fail in our responsibilities and obligations to win the over one and one-half million people in North Carolina age nine and above who are lost, and to minster to the needs of the deaf, the Indians, and other Ethnic groups that have become a large part of the populations of North Carolina, the world religionists and sects are out-gunning and out-manning us in winning people to false ideologies and condemning them to a Christless eternity. What are we doing about our Judea?

What are we doing about our Samaria? Thank God for a few brave souls who have recognized that the call to "Go Ye" is not just for the "commissioned missionary" but that each one of us is a missionary called of God to witness where we are and beyond our boundaries. In this great land of ours there are thirty million ethnics, many of whom are strangers to Christ. There are whole counties where there is not a single evangelical church. There are cities where block after block after block have become a living hell for thousands of people; where it is not safe to walk the streets after dark and where the elderly lock themselves in their room day and night, afraid of the sound of every footstep. CHRIST IS THE ANSWER, but the 30,000 churches and 2200 commissioned missionaries are not enough! What are we doing about our Samaria?

What are we doing about the uttermost parts of the earth? This is a call to cross the frontiers of scarce resources of both men and money. The response of Southern Baptists to world evangelization necessitates an army of volunteer missionaries, committed to His mission to His world. Where are these volunteers coming from? From the churches of the Little River Association? Not at the present level of commitment and concern. The call to evangelize is a call first of all to teach and to train. Churches must recognize the importance of mission organizations, and dedicated mission leaders, willing to give of their time and talents to teach and train our youth so that they can hear God's call to world missions. Do you realize that the missionaries that we will be sending out until the year 2000 are already born, and are in our churches? Will they hear God's call?

Will they be prepared because we were willing to be R.A. leaders and G.A. leaders and Acteen leaders and Mission Friend leaders? The churches that loses it's missionary vision, has lost it's reason for it's existence.

What are we doing about Bold Missions? Our present level of giving and commitment is not high enough and deep enough to measure up to His lordship and our responsibility. World Missions demands our all. Nothing less will get the job done. But when we are willing to turn it all over to Him, then He will give it back to us to use in the evangelization of the whole world.

Respectfully submitted,
Mrs. J. Henry Simpson, Jr.

DIRECTOR OF MISSIONS REPORT

"Let The Church Reach Out" is our SBC theme for 1977-79. In keeping with this theme and emphasis the program theme of our associational annual meeting is **"Bold Disciples On Misssion."** "And they were all filled with the Holy Spirit, and began to speak the word of God with **BOLDNESS.**" Acts 4:31.

During the year your Director of Missions has been actively involved in our **BOLD MISSION THRUST:** 1. Attended State Bold Missions Conference at Ridgecrest May 15-17 (enlisted eight associational leaders to attend.) 2. Made preparation for our associational Bold Missions Conference at Buies Creek First Church July 17. 3. Enlisted twelve lay interpreters who received training to promote our State Mission needs and the offering, September 17. 4. Promoted associational Evangelism Conference September 21. 5. Assisted associational leaders (Sunday School Director, Church Training Director, WMU Director, Brotherhood Director) during the year and in Bold Mission plans for the coming year.

Other Activities were: Served as Director of World Missions Conference April 16-23 (assisted in plans for World Missions Fair and planned for Youth Missions Rally); planned Deacons and Wives Workshop; preached 31 sermons; delivered 10 messages; assisted in 6 deacon ordinations (2 ordination of ministers); attended and promoted 24 meetings; attended 41 committee and group meetings; held 208 conferences; attended 10 meetings outside association (also State Evangelism Conference, Baptist State Convention and Southern Baptist Convention); edited and mailed out 6,000 plus newsletters and traveled 22,776 miles in work.

Plans for the coming year include a Pastors' Workshop, a deacon and Wives Workshop as well as other meetings to be planned soon by our newly elected associational leaders.

Some of our churches are excited about **Bold Missions**, have set challenging goals and mapped strategies for reaching these goals through 1982. Other churches are encouraged to do likewise.

If we are to become involved in the mission to enable every person in the world to have the opportunity to hear and respond to the gospel of Christ by the year 2000, our churches must make spiritual preparation through prayer, strengthening church members in Christian growth and discipleship and applying the gospel in the community and in society at large.

As Christians and church members **BOLD MISSIONS** involves **BOLD GROWING, BOLD GIVING AND BOLD LIVING.** The challenge of the hour and of our day as Christians is to overcome all possible barriers and commit ourselves to the task of winning a lost world to Christ.

Mrs. Simpson, who has also assisted a number of our churches during the year, and I covet your prayerful support as we continue our ministry with you.

Respectfully submitted,
J. Henry Simpson, Jr.

SUNDAY SCHOOL REPORT

An Associational Vacation Bible School Clinic was held on April 6th with Lillington Baptist Church. Conferences were held for all age groups, prior to the Associational Clinic. Several of our conference leaders attended the State Vacation Bible School Clinic at Camp Caraway, March 8th and 9th.

This past church year two high attendance days were promoted with good results from participating churches. These dates were: October 30, 1977 and April 30, 1978.

An Associational Sunday School Leadership Training Workshop was held, September 11-12, 1978. State Sunday School Leaders led conferences for all age groups. Emphasis was given on department and class structure, curriculum, and outreach. Ninety Nine people attended this workshop.

We are encouraging church Sunday School leaders this coming year to emphasize outreach and to adopt Convention programs including Out-reach '78, and the Action program to enroll more people for Bible study. We trust that every Sunday School will adopt goals and make plans to reach these goals.

We are looking forward to good results from High Attendance Day on October 29th, 1978.

Plans are being made to have a Venture Campaign and a Pastor-Director Planning Workshop during 78-79.

Let us commit ourselves to reaching more people for Bible Study in the year 78-79.

Respectfully submitted,
Frank Neville

REPORT ON EVANGELISM

One of the goals of Bold Missions is for every church to double baptisms by 1982 or sooner. This goal cannot be realized without the participation of our lay members in evangelism. Pastors and church leaders need to use the notebook, "Bold Evangelism Through the Local Church," to develop an ongoing program of evangelism. The establishment and use of a "Task Force on Evangelism" in each local church is one of the best means of enlarging our evangelistic outreach.

"The Evangelistic Church on Bold Mission" was the theme of the 32nd annual Statewide Conference on Evangelism in Greensboro last February 6-7. Some 2,400 pastors and lay leaders attended the sessions. Four summer youth evangelism teams preached in one-week youth revivals in churches across our state this year. Over 900 youth and adults attended the Youth Ministry Week at the Baptist Assembly during the week of July 3-8. About 12,500 youth, pastors and lay leaders were present for the 8th annual Statewide Youth Evangelism Night on August 18th in Greensboro. More churches are becoming involved in youth evangelism and in Renewal Evangelism.

There are some disturbing facts about our record of baptisms in the Little River Baptist Association. For the past ten years we have averaged only one baptism for 36.5 members in the churches. Even counting only resident members, our record is only 1 baptism for 24.8 members. We reached our highest number of baptisms in 1972 when we baptized 472 persons. But in 1977 we reached the low point with only 207 persons baptized in all our 36 churches and missions. This is a dismal 1 for 58 total members, or 1 for 42 resident members.

The challenge of evangelism if tremendous. There are at least 1,500,000 persons in North Carolina, 9 years of age and above, who have never professed faith in the Lord Jesus Christ. There are also thousands of inactive and non-resident members in our churches who need a fresh experience with the Lord. During the next 5 years there will be 950,000 persons in our state who will reach the age of 9 years, and many of them will be ready to make a decision for Christ. Our churches, pastors and lay leaders must be alert to this need.

In our Association the past year we had Richard Everett, of the Division of Evangelism of the Baptist State Convention, to lead our pastors in a one-hour session on evangelism. We also had a clinic on Evangelism on September 21st, in the Buies Creek Baptist Church, with Dr. William C. Lamb, the Director of Evangelism for the Baptist State Convention, leading both pastors and lay members in a study of bold evangelism. Dr. C. Mark Corts, President of the Baptist State Convention, brought a great message on evangelism.

The future is very challenging, and the promises of God are dependable. What we do about winning the lost in our Association will depend on what the pastors and church leaders do in the local churches. We hope that there will be the largest attendance ever from our churches at the 33rd Statewide Conference on Evangelism in Fayetteville next February 5-6.

Tom Freeman

BROTHERHOOD REPORT

Jesus said in Acts 1:8 "Ye shall be witnesses unto me both in Jerusalem and in all Judea and in Samaria and unto the uttermost part of the earth." We the Brotherhood men and R.A. boys of our Baptist churches want to be a part of this great mission program.

I want to thank all of the pastors and men and boys of our churches for the great work they have done this year to help us present Baptist men and R.A. work in our churches.

Several of our men attended the North Carolina Baptist men and boys' convention in Charlotte, N.C. November 12-13; also the prayer breakfast on Sunday morning and message by Senator Robert Morgan.

Our Little River Association men and boys' indoor rally was held at the Lillington Baptist Church on March 7. Jim Cashwell, student at Campbell College, gave his testimony and the inspirational message was brought by Rev. Earl Bengs, missionary in residence at Campbell College.

Several of our men worked in our associational World Missions Fair which was held in Carter Gymnasium at Campbell College Sunday afternoon April 16 and thanks to the men who worked in our special State Missions Offering.

On August 19 from 4:00 P.M. to 8:00 P.M. at the new Erwin recreation park we held our Little River Associational Baptist Men and Boys' outdoor rally. Our speakers were Rev. Jeff Davis, Faith Mission pastor and Joe Lennon, North Carolina Baptist Men's president.

We had 26 or more of our boys that went to Camp Caraway for a week this year.

Four of our men from First Baptist Church of Erwin went to the Buffalo, N.Y. area in September 3-10 and did Home Mission work with Rev. Clifford Matthews, Director of the Frontier Baptist Association of New York.

Respectfully submitted,
Floyd O. Glover

ORDINATION COMMITTEE REPORT

The Ordination Committee, following the guidelines set forth in the Constitution of the Association, examined Steve Moore, whose ordination was requested by the Kennebec Church; Daniel Hill, whose ordination was requested by the Pleasant Memory Church; Jeffery Davis, whose ordination was requested by the Westfield Baptist Church and Craig McLeod whose ordination was requested by the Angier Church.

In each case the committee recommended that the church proceed with the ordination.

CHRISTIAN LITERATURE REPORT

Our information, knowledge, attitudes and decisions on important issues are, to a great extent, determined by what we read. As Baptists, we are fortunate to have Christian literature second to none. The important thing is to make this literature available and then promote its use. In our homes we can refuse to purchase or use undesirable literature and we can discourage its sale and use by others. We have a responsibility to provide good, wholesome literature for ourselves as well as for others.

The various agencies of our Southern Baptist Convention provide Christian literature for people of all ages. **The Southern Baptist Convention** Annual and the **Christian Literature Order Form** provide a list of all materials they publish. The Curriculm Laboratory at Campbell College has samples of all the literature provided by our convention. You are welcome to visit the facility and examine any or all of this material so that you can decide what to order for your particular situation.

The Biblical Recorder is and has been for 145 years the Baptist paper of the Baptist Convention of North Carolina. Think about it for a minute. What if there were no **Biblical Recorder?** What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

One of the most important jobs of the **Biblical Recorder** is to keep Baptist church members informed about what is going on in our denomination here in North Carolina as well as over the whole world. When people know, they respond more quickly and in a more cooperative and generous manner. More than 1,100 churches in our state provide their families with the Recorder through the church budget at a cost of only 6 cents per week. Everyone benefits when the Recorder goes into every home. If your church does not include the Recorder for each family in its budget, please consider including it in your budget for this year.

In order to keep our people informed and to lead them to meet the challenge of the ''Bold Mission Thrust'' let us make use of every opportunity to provide literature and other forms of communication which will give them the knowledge and will to do everything possible to reach our goal during the next 22 years.

Another way each of our churches can provide good, wholesome literature is to provide and encourage the use of a good church library. Books can be provided in various ways. Funds for the library should be provided through the church budget. Many books can be donated by individual members. Many good books can be provided by means of memorials to those who have gone from us.

People are going to read something. Let us encourage them to read the best by providing the best for them.

Respectfully submitted,
Roger Johnson

BAPTIST FOUNDATION REPORT

A survey in several counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates in considered. Court records and wills were carefully studies in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. 30% of the decedants died without a written will.
2. Very little was provided for the church or any charitable cause through the wills that were probated (Six-tenths of one percent was given to all charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes.

3. 45% of all assets were left either to husbands or wives, 37% of all assets were left to children by parents, and 27% was left to grandchildren or other persons.

4. Projected to a statewide basis for one year, two-thirds of one billion dollars is left in estates each year.

5. Based on resident Baptist populaton in the state, a tithe of the estates of Baptists that die each year would provide in excess of $10,000,000 additional dollars annually to the support ot Christian missions and ministries carried on by our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1. prepare a will or have their will updated
2. provide for their churches pledges and commitments to be fulfilled through their will
3. seriously consider a tithe of their estates to a Christian cause

An excellent example to follow is that set by two members of one church in the mountain area of North Carolina. They have willed their possessions to the North Carolina Baptist Foundation as Trustee. Ten percent of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church - an amount equal to the entire church contribution to the Cooperative Program in 1977. (And this was a substantial amount). These two persons through their wills will double the church gifts to missions.

During 1977-1978 fiscal year, the Foundation has received $198,139 in additions to the trust funds being held. Twenty-seven new trusts were established.

AMERICAN BIBLE SOCIETY REPORT

1977 was the year in which more people were reached with God's Word than ever before in Bible Society history.

Since its founding in 1816, the only goal of the American Bible Society has been to translate, produce, and distribute the Scriptures to people everywhere in a language they can understand and at a price they can afford. In this effort to "Let the Word Speak" to all people, the ABS, and its partners in the United Bible Societies, distributed for the first time in a single year over 400,000,000 Scriptures in 150 countries.

In 1946 the American Bible Society published its first Scripture Selection, the Sermon on the Mount. Scripture Selections have since become the "seeds" of the Society. Because of their relatively low cost they could be shared more widely than New Testaments or Bibles. Once planted in the heart of the reader, the seed could then grow through Portions, the New Testament, and eventually, the complete Bible.

GOOD NEWS FOR NEW READERS

By the end of 1977 New Reader translations of the Scriptures had been undertaken in 328 languages, an increase of 42 languages over 1976. Sixteen of these languages now have New Reader Scriptures available in four of the graded series (A, B, C, and D), an increase of 11 languages during 1977. Series A was published in 46 additional languages, Series B in 29, and Series C in 26.

TRANSLATIONS

An average of nearly once every two weeks during 1977, somewhere in the world a group of people who had never before had the Word of God in their own language, received a Portion of Scripture for the first time. By the end of the year, at least one book of the Bible had been published in a total of 1,631 languages, an increase of 28 during the year.

ABS VOLUNTEERS

Much of the success achieved for the Bible cause in 1977 was due to the untiring efforts of more than 30,000 ABS volunteers who carried out local distribution programs in hospitals, schools, jails, missions, and places of business; presented the need of the Bible cause to churches; gave radio interviews; and recruited members for the Bible a Month Club.

FINANCIAL SUPPORT

Total income of the ABS from all sources in 1977 was $29,871,640. Income from the churches totaled $1,545,634. The churches of the Southern Baptist Convention contributed $251,908 or approximately $.022 per member.

In April 1977 a National Advisory Council was held in New York. Carolyn Weatherford and Porter Routh represented the SBC. One of the resolutions adopted by the Advisory Council supported the United Bible Societies goal of at least doubling income from local contributions by 1980. If the 12,733,124 members of the SBC were to raise their level of annual support of $.04 per member, total giving to the Bible cause would reach $509,000 and help reach the ABS goal. This would help make certain that the Bible Society will be able to provide the Scriptures needed by the Southern Baptist Convention in its global ministry.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Christian Life Council is comprised of twenty persons elected by the State Convention. These persons give overall leadership to the Council's staff.

A number of moral concerns were addressed by the Council in 1978. Family relationships continue to be a high priority. Opportunities such as marriage enrichment retreats, a workshop on parenting, single adult emphasis, and minister-wife retreats were conducted by the Council. Various materials dealing with family life were produced and distributed. Stengthening the Christian home is essential to the welfare of our nation and churches and the Christian Life Council is committed to that task.

Much energy was spent working for the defeat of the liquor by the drink bill. Over 125,000 flyers were distributed to North Carolina Baptists. While the efforts of Baptists did not defeat the bill, our efforts did result in a better bill being passed than the one originally proposed.

Another concern of the Council is television and its impact upon the morals of our people. Over 60,000 copies of "The Grabber," a pamphlet dealing with the use and abuse of television, were distributed upon request. Unless Baptists learn to control television, it will control them by occupying their thoughts and time.

World Hunger is an issue which haunts all of us. The Council has printed and is distributing thousands of tracts which offer practical suggestions for Baptists on how to respond to world hunger. August 2 is World Hunger Day among Southern Baptists and the Council attempted to help Baptists be aware of this emphasis.

On several occasions Jesus Stated that His disciples were to reflect their faith in Him through their lifestyles. Discovering the will and the way of Jesus is what the Council seeks to do.

MINISTER'S RETIREMENT PROGRAM REPORT

While the Board grew markedly in new retirement and insurance accounts, investment earnings suffered due to poor stock market performance.

The year also represented a period of strong demands which resulted from servicing needs of new accounts, a complex asset allocation process, implementation of a new church retirement program and accounting responsibilities of new investment funds.

Key statistics in 1977 included:

1. A permanent 8.33 per cent increase in most annuitants' checks. The increase was retroactive to January 1.
2. A total of $19,085,316 paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs exceeded $12 million.
3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 members upgraded their program.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,412 to 33,062, but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In 1977, premium income totaled $45,603,942 - including relief. Total assets climbed to $498,977,661, compared with $473,142,631 a year earlier.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional request for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress throughout North Carolina. In the eastern area many exciting programs and services are provided at Kennedy Home, Odum Home, McNeill Home, Henderson Emergency Home, foster homes, the wilderness education-therapeutic program, vocational rehabilitation, programs of crises intervention, counseling and family education. These fill a great need in this area of the state.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving Offering.

The forthcoming Thanksgiving Offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions Thrust, the Thanksgiving Offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions Offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving Offering. We are dependent upon our friends for financial support sufficient to carry on this minstry.

Respectfully submitted,
Abe Elmore

BAPTIST HOSPITAL REPORT

Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area the Family Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a wholebody scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. The system will also be used in staff education programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Assocation. In April of this year the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18 million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

1. The Cooperative Program, which supplies about 8% of our total budget.
2. The Special Offering which supplies 16% of our total budget.

These gifts are used to supplement the care of the majority of the residents in our Baptist Homes and are a life-line, therefore, to residents who could not possible pay the cost of care, if it were not for these gifts. We are grateful for these gifts and for every church and every person who has had a part in making them possible.

The growing edge of our national and state population is in the area of the aging, those 65 years of age and above. We must continue to prepare for them and move out, by the Lord's help, to undertake more for them in our churches, our communities, and in our Baptist Homes for the Aging.

Will you join us in our prayers and in our plans for those aging persons who look to us for help.

CHRISTIAN EDUCATION REPORT

Baptists of North Carolina support and operate, through elected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission--Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christians affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The telescope becomes the tool of the Kingdom for those who believe "The heavens declare the glory of God." The historian's pen and the biologist's microscope are welcome allies to those whose quest is "That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth."

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist College receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist Colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

Jerry Wallace

CHURCH TRAINING REPORT

Many in our Association have been "Experiencing Discipleship through Church, the Sunday Night Place" as proposed by the Church Training Department of our State Convention. **Training**, one of the most important criteria for the achievement of any goal, particularly one as great as that of **Bold Missions**, is an essential of Christian life. There **must** be **training** - training in witnessing, stewardship, teaching, ministering, counseling, doctrine, beliefs, programs, and training in the numerous areas necessary for the church to fulfill its mission.

Training, to be most effective, must center around the local church. Many churches in our Association have active, progressive Church Training programs.

Several significant events were conducted by our Association to help the local churches with their Church Training Program.

1. One Tuesday the 8th of November, a workshop was held at Memorial Church, Buies Creek, for deacons, pastors and wives. Dr. and Mrs. J. Winston Pearce led the workshop. Prior to the program, dinner was served at the Campbell College Cafeteria.

2. M-Night was held Monday, November 28 at Neills Creek Church. William T. Mills, pastor of Temple Baptist Church in Raleigh, was the guest speaker. Approximately 15 churches were represented by 150 members. Special music was presented by the Neills Creek choir. A model Children's Bible Drill was led by Georgia Lee Brown. The high attendance banner went to the host church with 56 members present. The ladies of Neills Creek Church served delicious refreshments in the fellowship hall before the program.

3. An Associational Youth Rally was held Saturday, March 18th at Lillington Baptist Church. This rally was the kick-off event for what is planned to be a greatly enlarged youth program in our association. The guest speaker was David Horner, Minister of Youth, Forest Hills Church, Raleigh. After the program refreshments were served in the fellowship hall while games and fellowship were enjoyed.

4. A Church Training workshop was held at Antioch Church May 8th and May 9th. This two-night event offered excellent training for Church Training workers of the local churches. A team of leaders from the State Church Training Department conducted the workshop.

5. Our most successful Children's Bible Drill to date was held at North Clinton Avenue Church in Dunn. 4 churches were represented with 24 children participating.

The Associational Church Training officers have set as a goal for this year to have one hundred percent participation in Church Training by the churches of our association. Realizing that there are some churches in our association that have not been actively involved in Church Training, "participation" is defined as this:

a. Elect a Church Training Director
b. Be represented at M-Night

Tentative dates for the following events in 1978-79 are:

Oct. 30, 1978	Deacons, Pastors, Wives Workshop, Lillington Church
Nov. 27, 1978	M-Night, East Erwin Church
Mar. 17, 1979	Youth Night
May 14, 1979	Children's Bible Drill

REPORT OF THE NORTH CAROLINA CHRISTIAN ACTION LEAGUE TO THE LITTLE RIVER BAPTIST ASSOCIATION

The N.C. Christian Action League has had a very active year. Following a vote which defeated the Liquor-By-The-Drink Bill on Wednesday, June 7th (61-56), in the House of Representatives, one Representative Mr. Jack Pugh of Asheboro, who had voted against the Bill asked for a chance to reconsider on the following day. Then under heavy pressure from the lobbyists other Representatives were not present for the vote and the bill carried (57-56). This was sent back to the Senate where they approved the amendments and local option on Liquor-By-The Drink became lawful. We feel that this is very deplorable because the people of our State spoke loudly and plainly on this matter at the polls in 1973. We do not believe that they have changed their minds.

Now the attention has been shifted from the Hall of the General Assembly to the local areas across the State. There are 43 counties and almost 100 cities and towns with A.B.C. systems. This means that we could be facing this many "Brush Fire" elections in the near future.

The Executive Committee of the N.C. Christian Action League met on June 27th, in Greensboro to map strategies for the inevitable battles ahead. Recommendations by the GOOD GOVERNMENT COMMITTEE were approved.

1. That we authorize loans which are to be used for "seed-money" to assist local organizations to make immediate commitments and to act in helping to raise the funds that are needed for the local campaigns.
2. That our Associate Director, Rev. Coy Privette, be made available to any local campaign at the expense of the League.
3. That Editor Marse Grant be asked to write each subscriber of the Biblical Recorder requesting a contribution to fight L.B.T.D. and that every local church be asked to put the C.A.L. in their budget or to receive a special offering this year.

We would express our sincere appreciation to the Baptists of North Carolina for their moral and financial support of the North Carolina Christian Action League in the past. We are depending upon you who have strong convictions against the increased distribution, sale, and consumption of alcoholic beverages in N.C. and against obscenity and pornography to continue to support the League this year by planning this in your annual budget or receiving a special offering for these purposes.

Respectfully submitted,
Bill Wallace
President, Christian Action League

STEWARDSHIP COOPERATIVE PROGRAM REPORT

This is one of the most exciting times of all history to be alive--especially if you are a Christian and a Southern Baptist. Ever since Jesus was on earth we have had the Great Commission to "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you and lo, I am with you alway, even unto the end of the world" (Matt. 28:19-20). For the first time ever Southern Baptists have set themselves a deadline to carry out this commission.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Let every church in our association demonstrate its commitment to the world mission task through serving and giving. Every church is challenged to increase, on an annual basis, the percentage of its total budget income given through the Cooperative Program and through the missions budget of the association. As a further guideline, churches should consider prayerfully the percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

During the past year (October 1, 1977-September 30, 1978) the churches of our association gave $153,832.25 through the Cooperative Program. This is an increase of $19,742.96 over the previous year for the same period of time. Last year our churches gave $23,624.36 for associational missions. This compares with the amount of $23,686.55 received from the churches for the previous twelve months ending October 13, 1978.

In our state, our 1979 Cooperative Program goal is $15,507.450. Of this amount 65.67% will remain in our state for the support of State Mission Ministries. 34.33% will be used for Southern Baptist Convention mission ministries. Our associational missions goal (budget) for 1979 is $31,940,000. If the churches will increase the suggested percentage for next year, we can reach these goals.

Some goals for the coming year are:

1. Every church in the association giving something through the Cooperative Program for Bold Mission Thrust support.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. Every church in the association increasing the percentage of the total budget income for the support of associational missions.

Respectfully submitted,
Harrington Morrison

BAPTIST CHILDREN'S HOME REPORT

Children in the care of the Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

Karen Patterson Treasurer

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts social pressures. This is a real challenge.

North Carolina families have ready access to a variety of services offered by the Baptist Children's Homes. A Family Services Center has been created to serve a ten county area surrounding Pembroke with administrative offices at Odum Home. A call to that office should put families in touch with information and help when they need counseling, emergency care, maternity home services or placement of children for longer terms of care. Staff from this office also is able to work with area pastors and denominational leaders to plan programs in family education and to offer assistance in day care and early education in churches and other family oriented interests.

Every effort is being made to be a part of and cooperate with the bold Missions program of advance fostered by the Baptist State Convention in cooperation with the local church.

An indepth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optimistic, that sufficient funds will come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

Abe Elmore

BAPTIST HOMES FOR THE AGING REPORT

Of outstanding importance has been the completion, dedication, and occupancy of our new Western North Carolina Baptist Home, in Asheville. This lovely new Home, accomodating 50 additional residents, was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accomodating 16, has been completed and all of the apartments have either been filled or assigned. With an older apartment built in 1961, there are a total of five duplex apartments, accomodating 20 persons. With the apartment complex the six Baptist Homes for the Aging, and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home in Yanceyville; the Western North Carolina Baptist Home, in Asheville.

Financially, this has been a crucial year in our Baptist Homes, since we did not have our usual 3rd Sunday of February Offering, which makes up 16 percent of our total budget. We have had to move into our endowment funds in order to operate and to keep the ship afloat, since the usual $300,000 that we receive from the Special Offering in September. We are looking forward to this special offering in a very special way, and it will certainly be crucial in the support of our Homes for the Aging.

Support through the Cooperative Program for our Homes, which supplies about 8 percent of our total budget continues in a steady and encouraging manner. Through the love gifts of North Carolina Baptists, five out of every six people, who cannot pay the full cost of care, are supplemented.

Ministry to an older person is a ministry as unto Christ Himself. We trust that you will keep this vital ministry close to your heart and in your prayers, and that your gifts will enable us not only to minister to those in our care, but encourage us to expand this desperately needed ministry in ourbn Convention.

Colie Rock

BAPTIST HOSPITAL REPORT

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the Hospital's services. This expansion results from new discoveries made through medical research and is in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immemdiately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automatic analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results that are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplain ministers to families during three critical periods: When a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Hospital chaplains lead worship services in Davis Chapel, which are relayed to all patients' rooms by closed circuit television. They also provide a pastoral ministry to patients, their families, and to staff members; provide more than 15,000 hours of personal counseling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world.

The cost of hospital care is high, unquestionably, though when you compare cost to benefits it is not as high as many other things we pay for. When we consider that good hospital care saves many lives, restores health to many, and prevents illness for many others, it really is difficult to say how much it is worth.

Respectfully submitted,
Harold Owen

BROTHERHOOD REPORT

Two events were held during the past year - a Brotherhood Workshop November 21 with the Erwin First Baptist Church. A conference was held for Brotherhood and Baptist Men officers and Baptist Men; a conference for Pioneer R.A. Leaders and a conference for Crusader R.A. Leaders. Our State Brotherhood Department provided good leaders for these three conferences. The attendance was 35.

A Men and Boys' Rally was held March 6 with Fellowship Baptist Church in Lillington. Tom Small, missionary to Zambia, brought a wonderful message and showed slides. Attendance was 98.

Several men from North Clinton Avenue Baptist Church in Dunn went to Perry, N.Y. and did home mission work with Rev. Bill Johnson in the Frontier Baptist Association.

Mr. James Flowers of the Bethel Baptist Church, Spring Lake went on an Overseas Mission this year. He went to Guadeloupe for two weeks.

Your Brotherhood Director attended the N.C. Baptist Men's Board meeting in February and September and the State Key Leadership Bold Missions Conference at Ridgecrest in May.

Mr. Ed Rogers, our RA Director, will be serving with us again this year.

Please call us if your Brotherhood Director or RA Director can help you.

W.M.U. REPORT

For the past three years WMU has placed special emphasis on it's number one task, teach missions. The theme for 1978-79 has been "To Live To Give" with emphasis on missions involvement for women.

The associational officers began the year by attending the State workshop at Mundo Vista. The leadership conference for the Little River church W.M.U. was held September 28 at Fellowship Church with 89 women attending.

Our second training event was a Foreign Mission graded Series Institute at Westfield Church in October. This was not well attended but many of the churches did have the Foreign Mission book taught and reported good attendance in most cases.

The BYW presented a fashion show at the Institute, featuring Contempo and the interesting articles and missions emphasis for the year. We had 6 churches reporting a BYW at the beginning of the year and we now have a Campus BYW at Campbell University with 55 members.

The WMU Directors, Pastors/Wives Banquet on February 13 at Campbell University Cafeteria was very well attended and a delicious steak dinner enjoyed by all.

Little River Association WMU was recognized for Advanced Achievement and a pin in shape of a dove was presented to the director.

Also in March the Associational Baptist Women sponsored a prayer retreat at Mundo Vista. 70 women attended and thoroughly enjoyed the overnight retreat led by Miss Nona Kay Bickerstaff, State BYW Director. The program was planned by Becky McLeod of Angier Church.

The Annual meeting of Assoc. WMU was at Hillmon Grove Church on

April 5, with 206 in attendance. A slate of new officers were voted into office and a beautiful installation service by Rev. Robert Clark, Pastor of host church, followed.

The guest speaker for the association meeting was Mrs. Tom Small, missionary from Zambia, who challenged us to make life changing committments if we really wanted to evangelize the world.

Throughout the year 3 mission action projects were undertaken by most of the churches in the Association. Over 250 pairs of Bedroom slippers were sent to the state office to be included in the Christmas packages for the residents of the Women's Correctional Center at Raleigh. Books were collected to furnish a library and reading room at the Youth Correctional Center at Lillington. Health kits were furnished for Migrant families that came to our area this year. These have proven to be very worthy projects.

Other Training events by WMU were visits in several churches to speak by the Director, by Mrs. Simpson and Mrs. McCarrell. Mrs. Simpson led a Bold Missions conference at Memorial Church in July to set new goals for WMU in the Bold Missions Thrust.

Eleanor Owen,
WMU Director

DIRECTOR OF MISSIONS REPORT

"Equipping For Church Advance"is our SBC theme for 1978-80. Keeping in step with the BOLD MISSIONS thrust as Southern Baptists and North Carolina Baptists, the program theme of our associational annual meeting is BOLD MISSIONS AND MINISTRIES GOING, GIVING, GROWING."

A resume of the activities of your Director of Missions during the year October 1, 1978 - September 30, 1979 reveals the following activities:

1. Attend State Bold Missions Key Leadership conference at Ridgecrest May 14-16, 1979 (enlisted seven associational leaders to attend).
2. Planned and promoted our Associational Bold Missions Key Leadership Conference July 17 at Memorial Church (led conference for pastors-church staff).
3. Promote-assist churches in receiving North Carolina Missions offering, October 7, 1979.
4. Promote "Pastors Appreciation Day" Sunday, July 15.
5. Supervise Activities of associational summer youth worker-ten weeks.
6. Assist associational organizational leaders in promoting and planning activities and meeting.

Other activities were: Promoted Deacons and Wives Workshop; promoted Stewardship Workshop; preached 37 sermons; delivered 6 messages, assisted in 3 ordinations (candidates for Gospel ministry); attended-promoted 35 associational meetings; attended 39 committee-group meetings; held 312 conferences, attended 15 meetings outside association (also, state Evangelism Conference, Baptist State Convention and SBC); edited-mailed out 6,255 newsletters and traveled 21,982 miles in work. Participated in South Roanoke Baptist Association's World Missions Conference April 22-25.

Plans for the coming year include a Pastor's Workshop, a Deacon's school, a Senior Citizens Workshop and other meetings as planned by associational leaders.

We are grateful for what has been accomplished during the past year in our churches and for the good response to the various associational meetings and activities. There is always room for improvement and let me encourage our pastors and church people to become more actively involved in our BOLD MISSION emphasis and in faithfully supporting the various meetings and activities within Little River Baptist Association during the new year.

Respectfully submitted,
J. Henry Simpson, Jr.

CHRISTIAN EDUCATION REPORT

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15 percent of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed changed and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist Colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

Respectfully submitted,
Jerry Wallace

CHURCH TRAINING REPORT

Church Training exists for the purpose of discipleship development, and many activities were offered in our association this past year to aid in this development.

Our Associational "M" Night was held November 27, 1978, at the East Erwin Church. Maurice Cooper, State Church Training Director, brought a fine inspirational message. Calvary Church with 50 in attendance was awarded both the High Attendance and Efficiency banners. Total attendance was 170 with 13 churches represented.

The Associational Youth Night was held March 17, 1979 at Memorial Church, Buies Creek. Harold Morris, a converted prisoner, shared his testimony with those present. There were 150 in attendance with 13 churches represented.

Approximately 100 youth enjoyed the Associational Outdoor Youth Rally held Saturday afternoon, June 23, 1979 at Campbell University. Kathy Crowder, the Associational summer youth worker, gave her testimony.

Although we rejoice at the benefits derived by the participants in our associational church training activities, and more particularly by the work being done in the individual local churches; we still feel a deep and prayerful concern for those churches that are not involved in any church training programs. Your Church Training Committee prays that every church in our association will be involved in Church Training this year. We want no lost sheep.

The 1979-1980 Church Training Theme is "Equipping for Missions."

Tentative Dates for the following events in 1979-1980 are:

November 27, 1979 - "M" Night, Antioch Church
March 15, 1980 - Youth Night
May 5, 1980 - Bible Drills, Westfield Church
May 19, 20, 1980 - Church Training Workshop

Jim Randolph

SUNDAY SCHOOL REPORT

The Associational V.B.S. Clinic was held on May 10th, at Erwin First Baptist Church, under the direction of Colie Rock. Conferences were held for all age groups. The response was one of the best ever. Most of our associational workers attended the V.B.S. clinic on March first and second at Caraway Conference Center.

This past church year, High Attendance Day was promoted for October 29th with good results from participating churches.

Your Sunday School Director attended the Key Leadership Conference at Ridgecrest May 14-16. He led a conference for Sunday School workers in the Associational Key Leadership Conference on July 17th. He also attended, along with two others, an associational Sunday School Team Training Conference in Greensboro.

On September 18th, your Director led a Pastor-Sunday School Director's Workshop in the association.

During February 16-20, 1980, our association will participate in a Bible Venture Campaign. To date there are eight churches that have signed up to participate.

Let us commit ourselves to reach out for people and provide good teaching.

Respectfully submitted,
Frank Neville, S.S. Director

CHRISTIAN LITERATURE REPORT

What have you read today? Was it informative, inspiring, uplifting, educational, or was it a waste of time? There is no lack of printed material for each of us to consider. It is vitally important that we be selective in our choice and be sure that we choose the best. The literature available to Baptists through the various channels of our denomination is second to none.

Literature for people of all ages is provided by our Southern Baptist Convention. There are over forty periodicals published by its various agencies. Your attention is called especially to those for the W.M.U. and the Brotherhood. The mission materials in these publications are both informative and inspiring. The Southern Baptist Convention Annual and the Christian Literature order form provide a complete list of all the materials they publish. The Curriculum Laboratory at Campbell University has samples of all the literature published by our convention. You are invited to visit the lab and examine the materials so that you can decide what to order for your particular needs.

The Biblical Recorder is in its 146th year of serving North Carolina Baptists. The cost of printing, publishing paper, and postage has increased four-fold in the last five years. Despite this increase in every phase of its operation, the Recorder can still go into each home for only 7.5 cents a week. Where can you find a better bargain?

The Recorder keeps us informed about the local churches, the State Convention activities, and the Southern Baptist Convention as a whole. It is easier to get informed people to respond than it is if they are not informed. The Recorder provides information and the best way to make this information available to include in your budget is the subscription amount for every family in your church.

The church library is another very important facility to make good literature available to the church members. Books can be placed in the library by individuals, as memorials, and through the church budget. The important thing is to have a good library and then promote its use.

Let us encourage people to read the best by making the best Christian literature available to them.

Respectfully submitted,
Roger G. Johnson

AMERICAN BIBLE SOCIETY REPORT

We are excited when we report that over 500 million Scriptures were distributed in 1979. The seed is being sown and it falls on good soil over and over again.

Increases in Scripture distribution were dramatic in many areas of the world. Total Scripture distribution throughout 1978 reached 503,125,210 Bibles, New Testaments, Portions and Selections - a 23 percent increase over the provious year.

ASIA

The largest percentage increase in distribution achieved in Asia was experienced throughout the islands of Micronesia. Total Scripture distribution throughout India in 1978 surpassed 60 million copies, the second largest distribution of any country in the world and exceeded only by the United States.

EUROPE

All of us rejoiced when permission was granted to ship 25,000 Bibles to Russia. The largest increase in distribution in Europe occured on the opposite side of the continent in Spain. Over one million Scriptures were shared with hungry people in that great land.

THE UNITED STATES

Distribution of Scriptures throughout the United States was larger than any other nation of the world, 127,414,817 Bibles, Testaments, Portions and Selections.

NEW READER PROGRAMS

More than 13 million New Reader Scriptures were shared with new readers in Indonesia, many of whom were school children with few other materials available at their reading levels.

TRANSLATIONS

It is essential that new readers be provided with translations in the language they commonly speak today. During 1978 new common language translations appeared in 22 languages.

As of December 31, 1978 at least one complete book of the Bible had been published in 1,659 languages, an increase of 28 over 1977.

FINANCIAL SUPPORT

The accomplishments highlighted in this brief report are made possible because of gifts received from individuals and churches. $309,204 came from the Southern Baptist Convention. Gifts from the Southern Baptist Convention averaged $0.04 per member per year, income from the Southern Baptist convention would reach $517,000.

The ABS requests the continued prayers and financial support of the Southern Baptist Convention.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Council on Christian Life and Public Affairs is made up of twenty persons selected by the Convention. Eight come from the General Board, while the remaining twelve are elected at-large. These persons give overall leadership to the Council's staff.

There have been two changes in the staff. W. Douglass Cole has recently been named Director of the Division of Christian Life and Public Affairs. Earlier in the year Ted W. Williams was named Director of the Department of Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. In an effort to strengthen family relationships, the Council has been involved in marriage enrichment retreat and associational family life conferences. In addition, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than seven hundred North Carolina Baptists participated in the newly-formed Legislative Information Network. Members of the Network received a guidebook containing relevent information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the Council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to designate a senior adult co-ordinator in many churches and associations. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister with senior adults and to help them to deal with the problems of growing old.

The plight of missions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid churches in the observance of World Hunger Day in August. Many churches have participated through special services, offerings, study groups and other means, in helping hungry people around the world. Many more need to become active in feeding some of Jesus' brothers and sisters, in His name.

Applying the radical teachings of our Lord to our day-by-day lives is not easy. Jesus said that in order for his followers to come after him, they must first take up their crosses. The task of the Council on Christian Life and Public Affairs is to help North Carolina Baptists to live life as Christ would have us to live it.

MINISTER'S RETIREMENT

Dr. Harold H. Morgan, President of the Annuity Board of the Southern Baptist Convention, reports that 1978 was a good year for the Annuity Board in this ministry for Southern Baptist.

The Board has felt the stress of general inflation as has every other agency of our convention. However, in spite of these and other things the Annuity Board has ministered well.

Some highlights of this ministry are as follows:

1. Almost 10,000 Annuitants received an extra monthly check last year which amounted to a total of $1,036,000 plus.
2. More than $25,500.00 was paid out in retirement and protection benefits.
3. Additional Churches, Pastors and Staff Members are joining this plan and ministry every year.
4. An Endowment Department, designed to undergird the Protection Program hs been established.
5. Premium Income (including relief) reached over 21 1/2 million last year.

In our association 27 Churches and 31 Staff Members are participating in the retirement program. If we could have 100 percent participation we would make it easier for the Board to do its best for us.

Robert Wilson

BAPTIST FOUNDATION REPORT

"Moreover it is required in stewards, that a man be found faithful."
1 Corinthians 4:2

Since January 1, 1979, the Foundation staff with the assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensiveeffort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their Wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice (s) of Baptist missions work and/or institution. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as, taking advantage of the laws of our land in reducing taxation on resources - both income and estates.

A personal and provate appointment with a Foundation staff member can be arranged either through your pastor, association Director of Missions or by writing or calling the Foundation office. The address is: P.O. Box 26508, Raleigh, North Carolina 26761.

REPORT ON EVANGELISM

The heart of Bold Mission Thrust is evangelism, the winning of the lost to Christ. Baptists in search of unsaved persons are joining together in a Statewide Evangelistic Crusade in 1982. It is expected that this will include simultaneous revivals in the churches both the white and black Baptists. This is an effort to reach every person in North Carolina with the gospel of Christ by the end of 1982.

The 33rd Statewide Conference on Evangelism was held in Fayetteville during February 5-6, 1979 with over 2,500 pastors and lay persons being challenged to involve more of our members in direct witnessing for Christ to the unsaved. Many churches have already participated in Bold Evangelism Clinics with the emphasis on the ongoing program of evangelism in the local church. Each church is encouraged to try to double baptisms by the end of 1982.

Many decisions for Christ have been made as a result of the Youth Revivals led by four summer youth evangelism teams in 36 churches in our state this year. Pastors are urged to secure the Revival Planbook for the Local Church and also the Counseling Guide and the Follow-up Manual for New Christians and use them in local church evangelism.

The next Statewide Conference on Evangelism will be held in Greensboro February 4-5, 1980. Pastors are urged to get some of the lay persons to attend one or more of these sessions.

Little River Association has had 191 baptisms reported by the churches in the Associational Year just past. This is nowhere near as good as we ought to do. Let us strive to accomplish the ideal of a perennial program of evangelism in each church, with an effort, undergirded by prayer, to win someone to Christ every week of the year.

Tom M. Freeman

WORLD MISSION REPORT

God is blessing Southern Baptist's work around the world as well as at home. The Foreign Mission Board reports many victories for Christ, such as in Tanzania, where Baptists sent out seven evangelistic teams which started fifty six new congregations during eight weeks of intensive summer mission work. The Foreign Mission Board reported a new high in 1978 appointees with 350 new missionaries appointed. The mission staff at the end of 1978 was 2908. The Lottie Moon Christmas Offering for 1978 reached a new high with a total of $31,970,126 with total gifts to foreign missions of $64,995,017.

The Home Mission Board has reported gains in all areas also. 885 career missionaries were appointed, 615 associate missionaries and 64 U.S. 2ers with a total missionary personnel at the close of 1978 of 2,805. Forty two of these are serving in North Carolina. 100 volunteers were appointed through the Mission Service Corps and approximately 21,700 served through the special Missions Ministries Department.

State Missions showed gains in all areas in 1978 with one of the largest offerings given in September 1978 of $780,170.40. This year we have begun the six-in-one offering with offerings for Homes for the Aging, Christian Higher Education, Baptist Hospital, Heck Jones, Children's Homes Offering and State Mission causes included in the North Carolina Missons Offering. Churches who are following this plan are urged to carefully and prayerfully consider a goal large enough to include the six offerings previously taken at different times during the year.

However, with gains made on every hand in financial and personnel resources, there are needs that will not be met. On every hand the demands are greater than the resources.

Bold Missions must not diminish into just a slogan. With over three billion people in the world who say that Krisna, Mohammed or someone else is Lord, with over sixty-two million adults in the United States who are unchurched, and with two million people in North Carolina who are lost, we must be serious about what we are doing. We have but twenty years until the year 2000. What we do, we must do quickly.

We need to heed the command of our Lord to pray that He will call forth laborers into his harvest. Two weeks a year in concentrated mission praying is not enough. Deliberate and continuing prayer is the only answer. We need to live as if it were a time of war - deliberately changing our lifestyle in order that we can give more to missions. Hundreds of Southern Baptists are already giving half of their income. They must be joined by thousands more. In 1977 Southern Baptists gave an average of $1.84 monthly to world missions - just about the cost of a Big Mac, French Fries and a coke. We have lots of room for improvement.

We have assumed a monumental task. Only an all-out commitment to the priority of world evangelism and personal sacrifice will suffice.

COOPERATIVE PROGRAM - STEWARDSHIP REPORT

Cooperative Program has been a household phrase for Southern Baptists since 1928. Since that time, there have been many supportive efforts designed to supplement the basic programs of Baptists but none have ever been devised which were believed to be plans which may supplant the Cooperative Program.

The Lottie Moon Christmas Offering has come to provide approximately one-half of the Foreign Mission Board Budget, but the consistent Cooperative Program has been recognized by Missions personnel as the "life-line" of strong Offering work together for Foreign Missions support. Now, the Cooperative Program and the State Missions Offering are joining in a newly emphasized support for Missions in North Carolina.

The newest supplementary innovation for Southern Baptists is the old Missions Thrust. While Bold Missions calls for "people - power", it also has an involvement in Missions - Support which requires the undergirding of the multi-facet Cooperative Program.

With the challenges of the Bold Mission Thrust to double the Cooperative Program by 1982 and twice-again double the Cooperative Program by 2000, Southern Baptists can support virtually every Mission endeavor through this one general support system.

Associational Missions are supported through Cooperative Program. Even disignated gifts are handled (without direct charge) through a Business Office that is supported by the Cooperative Program.

Dr. J.N. Barnette's famous statement, "It's all for Evangelism," may be rephrased and used to accurately state, "It's all in the Cooperative Program." and we the Southern Baptists can be justly proud that God has blessed us with a tool for ministry which has proven its worth.

Robert L. Clegg

CHRISTIAN ACTION LEAGUE REPORT - 1979

The League is grateful for the support that you have given and pleased to mention some decisions that affect the social climate of our state and the morals of our people.

The Supreme Court of North Carolina has ruled the anti-pornography bill constitutional, and we are urging district attorneys, sheriffs and police chiefs across the state to enforce it.

The Court of Appeals of North Carolina will hand down a ruling soon on our challenge of the liquor-by-the-drink legislation, passed by the 1978 session of the General Assembly. The suit was filed in Wake Superior Court in January and Judge Bailey's decision has been appealed. A brief has been filed and the next step is to present arguments before the court. Our attorney feels that we have a good chance of victory in this case. We have discovered that lawsuits are expensive and time-consuming. We need your continued prayers and support in this matter.

The North Carolina Senate, in a last-day move, passed a bill to give cities and towns a chance to vote on liquor-by-the-drink, after the county has already voted it down. This will be considered by the House in the short session in June, 1980. We need to secure commitments from our representatives that they will oppose Senate Bill No. 943.

We are thankful that the Senate rejected a bill that would have relaxed penalties for possession of up to four ounces of marijuana.

On May 1st of this year Bro. Coy Privette became full-time associate Director of the League, and on September 18th Dr. Tom M. Freeman became President of the League. Please continue to pray for the officers, directors, and trustees of the League.

Respectfully submitted,
Tom M. Freeman

BAPTIST CHILDREN'S HOMES REPORT

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the State. Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our Board of Trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and members of their families.

Respectively submitted,
Abe Elmore

BAPTIST HOMES FOR THE AGING REPORT

The ministry to older persons through our Baptist Homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry, and are moving with faith and with gratitude into our 30th year and into the new decade of the eighties. God has blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry—Resthaven, the Hayes Home, the Apartment Complex and the Nursing Unit all in Winston-Salem, and Homes in Albemarle, Hamilton, Yanceyville, and Asheville! The past year has been filled with excitement and accomplishment. A dream was fulfilled when we moved into the new Western North Carolina Baptist Home in Asheville in March (1979), and have filled this beautiful new Home to the brim with 49 new residents who are a most welcome addition to our Baptist Homes family.

Gifts from our Baptist Churches, though encouraging, have fallen behind previous years' gifts through the two vital sources of income for the Homes—through the Cooperative Program, and through the new North Carolina Missions Offering. Through these two sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependent on these love gifts from North Carolina Baptists. Those who are supplemented at some time during their residence in our Baptist Homes family are in the majority.

Each of our residents would like to thank you as North Carolina Baptists for all that you are, and for all that you do for them.

Respectfully submitted,
Colie Rock

BAPTIST HOSPITAL REPORT

In recent months the hospital has added a carbon dioxide surgical laser which emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used for delicate surgery of the larynx, upper respiratory tract, and lung and has potential for surgery of other internal organs.

New ultra sound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been added for testing infants with suspected hearing loss.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500, through the

Cooperative Program, and $357,517, through the North Carolina Missions Offering and designated gifts.

Respectfully submitted,
Harold Owen

CHRISTIAN HIGHER EDUCATION REPORT

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational missions in our state.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task of love and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptist colleges see themselves as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

We thank you for your support of the colleges. We request your earnest prayers for each of them.

CHURCH TRAINING REPORT

Our annual "M" Night Rally was held at Antioch Baptist Chruch with a total of 171 attending. Jim Simpson, State Church Training Department, brought the inspirational message with special music by the North Clinton Avenue Church choir. Calvary Church with 62 present was awarded both banners.

Youth Night was held with East Erwin Church March 15 with an attendance of 155. The program included games, music, an inspirational message by Robert Dawkins followed by dialogue and refreshments.

The Associational Children's Bible Drill was held with Westfield Church May 5. Thirteen boys and girls from Antioch and Calvary Churches participated and were all winners.

A fine Associational Church Training Workshop was held with Calvary Church May 19-20 with an average attendance of 40. Conferences were held for general officers and for age group leadership. This leadership was provided by our State Church Training Department.

The 1980-81 Church Training Theme is "Equipping For Personal Growth." Call on your associational Church Training officers if we can be of help.

SUNDAY SCHOOL REPORT

This has been a good year in our associational Sunday School work. More opportunities for training have been offered and response from our churches has been greater. Your associational Sunday School workers met twice to plan Sunday School programs for the association. Four of our workers attended the Assist Conference at Ridgecrest on April 17-19th.

Six of our churches participated in our associational Bibleventure Campaign February 17-20th that proved to be very beneficial.

The associational VBS Clinic, under the leadership of Colie Rock, was held on April 24th at Lillington Baptist Church. The response was very good. Seven of our associational workers attended the state VBS Clinic at Elizabethtown Baptist Church.

A curriculum workshop was held in Taylor Hall at Campbell University on August 29th. This was one of the best attended meetings in recent years. At the same time, a pastor's-director's workshop was held.

On October 13 and 14th, our associational Sunday School Training School will be conducted at Angier Baptist Church. This school will be led by state approved workers.

Let us reach more people for Bible study in 1981.

CHRISTIAN LITERATURE REPORT

Being able to read is a wonderful blessing to all of us. What we read can make a great deal of difference to us as individuals, to our families, and the extent to which we support our churches and denomination.

The various agencies of our Southern Baptist Convention provide Christian literature for all ages. The Southern Baptist Convention Annual and the Christian Literature order form provide a list of all materials which they publish. The Curriculum Laboratory at Campbell University has samples of literature provided by our convention.

We can promote the reading of good literature in our churches by providing and encouraging the use of a good church library. Funds for a library may be provided through the church budget, donations by individual members, and as memorials to deceased members and loved ones.

Faced with the same inflationary pressures that every family has these days, the *Recorder* has managed to get through another year without an increase in subscription rates. A church can still send the *Recorder* to resident families for only $.07 a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the *Recorder* is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the *Recorder* has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the *Recorder* informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the *Recorder* are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the *Recorder* to every church family. See that your church makes this move in the coming year.

People are going to read something. Let us encourage them to read the best by providing the best.

Roger C. Johnson

REPORT OF THE AMERICAN BIBLE SOCIETY

Since its founding 164 years ago, the American Bible Society has offered the peoples of the world more than 3 billion opportunities to read at least some portion of God's Word. Starting out with a distribution of 6,410 Bibles in 1816, the ABS has through the years steadily increased its ministry of sharing the Scriptures to reach its current annual distribution rate of more than 250 mission Bibles, New Testaments, Portions and Selections.

In many overseas areas there were extremely encouraging increases in the number of people reached with God's Word. Following are some of the highlights of the Bible work made possible through your gifts in 1979.

In Uganda (AFRICA) more than one million Scriptures were distributed during the year. In Burman, Nepal, Papua, New Guinea and Syria (ASIA) distribution of Scriptures more than doubled in 1979 over 1978.

In Eastern EUROPE 362,050 Scriptures were circulated in 1979. In the UNITED STATES 108,882,672 Scriptures were distributed during 1979.

Twenty-seven languages were added in 1979 to the list of languages and dialects in which at least one book of the Bible has been published.

The tremendous advances achieved for the Bible cause during 1979 were made possible because of gifts received from organizations such as the Southern Baptist Convention.

But so much more needs to be done and could be done if Southern Baptists would just increase their per capita giving from $0.022 to $0.04 annually.

Leon Burgess

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

Leading the list of moral issues of special concern for the year 1980 has been the status and health of the family. The Council has continued its efforts to strengthen family relationships through marriage enrichment retreats and Associational Family Life Conferences.

The Council has been especially concerned about legislation regarding the following issues: Aging, Alcohol, Brown Lung, Children and Youth, Criminal Justice, Drug Trafficking, Foster Care, Gambling, Human Rights, Mentally Handicapped and Hunger.

Here in the Little River Association Health Kits have been prepared and distributed by many of the local churches and a new work has been started on the Associational and local church level for single adults.

An extremely important matter is the existing Energy Crisis. We challenge Christians (1. to alter the corporate lifestyles of churches in a way that would be an example to others, (2. To alter personal lifestyles in ways which will help reduce the waste of energy resources, (3. to oppose the further development of nuclear power until it can be shown to be safe for today and safe for generations of tomorrows, (4. to support the development and use of renewable energy sources to supplement and replace dwindling supplies of non-renewable energy and (5. to demand integrity from all involved in the energy crisis.

It is clear from the time of Cain and Abel through the incident of the Good Samaritan that the Bible teaches that we are our brothers and sisters' keepers, that we are to love our neighbors as ourselves, and that we are to care for those in need. Jesus led his followers to simpler lifestyles.

MINISTER'S RETIREMENT REPORT

SOME ANNUITY BOARD HIGHLIGHTS IN 1979 ARE:

1. A 13th check amounting to 10 percent of a year's benefit was mailed to most annuitants in December 1979.
2. A total of $19,131,539 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to $13,067,338.
4. Total assets held in trust at the close of the year equaled $667,521,987. This figure represented a growth of $97,787,516 over 1978's total.

In Little River Association, 27 churches and 30 staff members are participating in the retirement program. Of this number 11 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

NORTH CAROLINA BAPTIST FOUNDATION REPORT

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. This is simply a transfer of assets through a Will. During the past year, the Foundation Staff has attempted through Pastors' Conferences, senior citizens groups, Baptist Women and Baptist Men groups and through personal conferences with individuals to enable the people to extend their stewardship beyond life through the use of a Will. A touching and dramatic film, "A Better Way" depicting the necessity for every adult to have a Will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through Will, through purchase of gift annuities and through establishment of annuity trusts.

The audit of Foundation records for the year ending December 31, 1979 revealed total increase of assets for the year was $1,018,681. With total assets of the Foundation being $5,115,000. This is exciting when we remember it is all designated for Kingdom work through Baptist institutions and causes.

In the coming year, the Foundation will continue to emphasize stewardship and commitment. Among major plans is the conducting of several seminars on estate planning for women.

REPORT ON EVANGELISM

Little River Baptists have a record in evangelism the past ten years that we cannot be proud of. Whatever the reasons for this, the call of Jesus has not changed, and His expectations of us have not changed. It may be that in the churches there has not been enough emphasis on winning the lost to Christ. Surely the Pastor and deacons in each church must come to a renewed concern and enlarged efforts to lead the churches in evangelism.

North Carolina Baptists plan a Joint Statewide Evangelistic Crusade in the spring of 1982. Both white and black Baptists will be participating in this effort to focus on evangelism. Our aim is to have revival meetings in every church in our Association at the same time. Dates for our simultaneous meetings will be March 14-28, 1982. Each pastor and church is urged to plan now to participate, and invite your evangelist as soon as possible.

"Bold Witnessing Churches" was the theme of the 34th Evangelism Conference last February 4-5 in Greensboro. Eight practical conferences were held during the first afternoon session and about 2,400 pastors and others attended. The 35th Conference on Evangelism will be held in Asheville February 2-3, 1981. The Youth Evangelism Conference on August 15th drew thousands of our Baptist young people and resulted in hundreds of decisions.

Our churches have averaged only one baptism per year for each 36 church members the past ten years, which is a very poor record. There are over a million and a half persons in our state, 9 years of age and over, who have never professed faith in Jesus Christ. Hundreds of them live in our association. Surely we must try harder, and devote ourselves with greater dedication to the task of reaching out to them with the message of salvation through Christ.

Tom M. Freeman

WORLD MISSIONS REPORT

"Every local church carries the awesome responsibility to inform, inspire, equip and lead members to be involved in a worldwide mission," This thought expressed by R. Keith Parks, Executive Secretary of the Foreign Mission Board, is the dynamic behind the Bold Going of the Bold Mission Thrust.

The dynamic of Bold Giving was expressed as Southern Baptists surpassed the Lottie Moon Christmas Offering goal of $40,500,000 by May 31, of this year, and also surpassed the goal of $15,000,000 for the Annie Armstrong Easter Offering. However, the dynamic of both Bold Going and Bold Giving must continually find expression in a growing discipleship among Southern Baptists as we face the uncertain 80's and the realization that for many Bold Missions is still a slogan—something that sounds good but for them beyond the scope of accomplishment.

At the close of 1979, Southern Baptist missionaries were working in 97 countries with some 3,000 missionaries. 97,376 baptisms were reported in these 97 countries.

On the homefront, missionary strategy continues to focus on the large cities, on ethnic groups, on the thousands of refugees who are continuing to pour into our country. Southern Baptists work with 70 different language groups in 50 states. Volunteerism is becoming more and more the undergirding dynamic of home missions.

More and more missionaries are needed to reinforce Southern Baptist witness in the 97 countries and at home. Already there are job requests for 1,527 persons for seminary trained, specialists in preaching, religious education and other categories of Christian ministry.

At home and abroad the missionary continues to need the capacity to relate warmly to others; a caring empathetic, receptive, outlook; Christian commitment, compassion for the whole man and a spirit of cooperation with fellow missionaries.

The missionary of the future must serve as equippers, educators, enablers, ministers, advisers, They must know who they are, where they serve, their work, and to whom they are accountable.

Jesus would still say to us, "Lift up your eyes unto the fields for they are white already unto harvest, and pray ye the Lord of the harvest that He will send forth laborers into the fields."

Respectfully submitted,
Vivian Simpson

COOPERATIVE PROGRAM/STEWARDSHIP REPORT

During the past year October 1, 1979-September 30, 1980 the churches of our association gave $187,741.00 through the Cooperative Program. Last year our churches gave $30,715.84 for associational missions.

In our state our 1981 Cooperative Program goal is $19,250,000.00. Of this amount $12,512,500.00 or 65% will be used for State Mission ministries. $6,737,500.00 or 35% will be used for State Mission ministries. $6,737,500.00 or 35% will be used for Southern Baptist Convention mission ministries. Our associational goal (budget) for 1980-81 is $37,486.00 an increase over this year's goal (budget) of $2,829.00.

Let every church in Little River Baptist Association demonstrate its genuine concern for and commitment to world mission support through Bold Living and Bold Giving.

WE RECOMMEND:

1. That every church accept the responsibility of teaching its members principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.

2. That every church encourage its members to grow in the grace of giving and in light of our Bold Mission Thrust goals; to give a greater percentage of their income through their church.

3. That every church seek to increase its budget income during the year by at least 15 percent.

4. That every church develop a unified budget and conduct a budget program that will emphasize the importance of each individual member's giving and involvement in the life and work of the church.

5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.

6. That the association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

Woodrow Neal

CHRISTIAN ACTION LEAGUE REPORT

The Christian Action League is interdenominational in membership, and Baptists are strong participants and supporters of its programs. It is through the League that the churches and Christians of our state can have an effective voice in the moral issues and problems that face our people. Our areas of concern include beverage alcohol and drug abuse, pornography, gambling and legislation that affects these areas.

Despite our best efforts the liquor forces passed a bill to allow cities and towns to vote on liquor-by-the-drink even after the counties have voted it down. This has resulted in some of the small coastal towns adopting mixed-drinks. Henderson voted it down, but Hickory adopted it.

We have prepared 14 legislative proposals to present to the 1981 General Assembly, including increasing the legal age for beer and unfortified wine to 21 years, the prohibition of advertising of alcoholic beverages which originates in our state, and the requirement that the number of ABC enforcement officers be increased to one for each 25 establishments with any type of ABC permit.

Our Executive Director, D. P. McFarland, will retire on December 31st, and the Trustees of the League are planning five testimonial dinners in various parts of the state to express our love and appreciation for his 20 years of service. The nearest one to us will be held in the First Baptist Church of Raleigh on Friday, December 12th. Beginning January 1, 1981, Coy Privette will become our Executive Director. He is the associate of Mr. McFarland at this time.

There is always need for financial support of the league, and we ask churches to consider placing it in their budgets for a monthly donation. Even as much as $25.00 a month from a large number of churches can make a difference in our ability to meet the demands of our moral challenges.

Respectfully submitted,
Tom M. Freeman, President
